Class Dojo

Mrs. DeLahr's class is now on ClassDojo. This is a great way to ask questions and to communicate. When you sign up please make sure you sign up for your child's class either A.M. or P.M. If you need another paper with your parent code, please let us know.

This week in Pre-K

This week we learned about the letter Gg. We also read several books about Grandmas and Grandpas. Our color of the week was pink. We were able to use the Smartboard in our room for the first time this week. We are excited about all the things we will be able to use it for.

Next week, we will learn about the color green and the letter Aa for Apples. Keep in mind there will be **no school September 20th for the afternoon class. The morning class will have class as usual.** Thursday, September 21st we are asking all our Pre-K friends to wear green for the day. Please remember there will be **no school Friday, September 22nd.**

Can you help?

Next week we will be learning about apples. We will be providing apples for snack. I would also like to do apple prints and apple experiments next week. In order to be able to this we are in need of apples. If you have an apple tree or access to an apple tree, can you send in some apples for us to use? That would be great! We will need them by **Tuesday, September 19th.**

Thanks
