## This week in Pre-K

Exciting things are happening in Pre-K. We have started some new friends this week and we will start more next week. This week we learned about the letter Aa for apples. We also read several books about apples. Thank you, to those who donated apples. We used them to print apples today. Our color of the week was Green.

Next week, we will learn about the color red and the letter Ll for leaves. We will also talk about and read books about Fall. We will wear something red on Tuesday, September 26th, instead of Friday. Please look at the paper going home today about Maple School Spirit Week. Each day we will be doing something different.
