

**FOUNDED LOCALLY IN 1973 BY RETURNING** Vietnam veterans, today's Veterans Outreach Center remains anchored in our community and offers a comprehensive portfolio of supportive services designed to meet the needs of veterans and their families. Through the generosity of our community, all of these programs and services are provided free of charge.

We understand that the scars of war may be deep and slow to heal. Veterans Outreach Center proactively seeks out veterans in need who continue to suffer in silence. Our collaborative approach to treatment cares for the whole person, with services that help veterans regain their mental, physical and economic health, and reconnect with society.
