

Dear Parents:

Greetings! King of Grace Lutheran School, in order to present a clearer picture of church support to our school, would like to share with you a comparison of the actual costs of educating a child in our school and the amount each child's tuition is subsidized by congregational offerings. We share this information with our school families not only to help give you a better understanding of the financial support you receive from King of Grace Lutheran Church, but to also give you an opportunity to be part of our effort to make tuition more affordable for families in need.

In the chart below, the first column shows the **estimated cost** to educate a student. These totals vary for Kindergarteners because of the restricted class sizes and the different amount of time spent in the classroom. The next column shows the amount of **subsidy** (congregational support) given to each student in our school. The last column shows **your tuition** (the amount you pay after the subsidy has been applied to the estimated cost). The annual registration fee remains the same as last year at \$150 per child.

Annual Cost and Tuition After Subsidy:

	Estimated Cost	Congregational Subsidy	Tuition
3 day Kindergarten	\$3,340	\$1,000	\$2,340
3 day Kindergarten, add'l child	\$3,340	\$1,513	\$1,827
5 day Kindergarten	\$5,680	\$1,000	\$4,680
5 day Kindergarten, add'l child	\$5,680	\$2,032	\$3,648
Grades 1-8, first child	\$5,440	\$1,000	\$4,440
Grades 1-8, add'l child	\$5,440	\$2,110	\$3,330

We are asking all families to consider how much of the subsidy they need and how much they wish to accept. Please complete and return the form below along with your registration fee and paperwork.
