

King of Grace Lutheran School

Dear Parents:

King of Grace Lutheran School, in order to present a clearer picture of church support to our school, would like to share with you a comparison of the actual costs of educating a child in our school and the amount each child's tuition is subsidized by congregational offerings. We share this information with our school families not only to help give you a better understanding of the financial support you receive from King of Grace Lutheran Church, but to also give you an opportunity to be part of our effort to make tuition more affordable for families in need.

In the chart below, the first column shows the **estimated cost** to educate a student. The next column shows the amount of **subsidy** (congregational support) given to each student in our school. The last column shows **your tuition** (the amount you pay after the subsidy has been applied to the estimated cost). We are asking all families to consider how much of the subsidy they need and how much they wish to accept.

Annual Cost and Tuition After Subsidy for the 2018-2019 school year:

| | Estimated Cost | Congregational Subsidy | Tuition |
|---------------------------------|----------------|------------------------|---------|
| Preschool 3-year-old | \$1,760 | \$500 | \$1,260 |
| Preschool 4-year-old - half day | \$2,250 | \$500 | \$1,750 |
| Preschool 4-year-old - full day | \$4,810 | \$1,000 | \$3,810 |

The 3 year old class is $\$140/\text{month} \times 9 \text{ months} = \$1,260$

The 4 year old ½ day class is $\sim \$194/\text{month} \times 9 \text{ months} = \$1,750$

The 4 year old full day class is $\sim \$423 \times 9 \text{ months} = \$3,810$
