experience

Equipment Specialist

RIT Photographic Equipment Rental Cage

Aug. 2017 - Present

Handles and maintains inventory of industry standard photographic equipment. Troubleshoots and inspects functionality of digital and analog equipment, printers, and photographic facilities.

Imaging Systems Lab Technician

RIT Imaging Systems Lab

Aug. 2017 - Present

Handles, reviews, and organizes customer files for easy in-house workflow. Handles large-scale Inkjet printing and mounting, and ensures print production quality. Operates and maintains C-41 Processor for 35mm, 120mm, and large format color film development and packaging.

Staff Photographer

Saunders College of Business

Sep. 2016 - Present

On-location event coverage for advertising and promotional use. Coordinates with employer and co-workers for effective strategized coverage of events. Edits and post-processes while providing files in a timely manner.

Contributing Photographer

Rocgirlgang.com

2016 - 2017

Worked directly with local businesses, brands, and creatives to organize and produce environmental portraits, product shots, and lifestyle for blog posts, social media, and promotional material.

Staff Photographer

RIT Student Government

2016 - 2017

Worked within a Public Relations team to cover schoolwide events and produce additional portraiture for promotional use and social media content.
