## OUR HISTORY

**SCHILO'S STARTED AS A SALOON IN THE 1900s** in Beeville, TX. "Papa" Fritz Schilo moved the saloon and his family to San Antonio in 1914 and Mama Schilo started serving some of her recipes a few years later in 1917. Her timing was perfect - in 1920 prohibition hit America, closing all saloons. In 1942 Schilo's moved to its current location - which was originally a currency exchange bank. In fact, the original bank vault is now a walk-in cooler. After three generations of Schilos, the Lyons family purchased the establishment in 1980 and has continued the proud German family-owned tradition of hard work, good cooking, and having fun. Now over 100 years old, Schilo's is the oldest operating restaurant in San Antonio.
