

*"I believe that **sexism**, like many forms of hate, is **cyclical and self-justifying**.*

*I believe that the **fight against sexism** cannot be **us vs. men** or **us vs. women**. It can only be won as **us vs. sexism**."*

## Every 20 minutes a man commits suicide

Resources are dangerously scarce for men suffering in our society, and social pressure often prevents men in need from seeking help for fear of seeming weak or un-masculine. Awareness of men's silent struggle is critical to our mission.

**Men and boys deserve compassion, sympathy, and support.**
