

Lashing Artistry Policy Reminder

Please read carefully and sign below

There are a lot of things that can cause lashes to fall off before expected:

- Coming to your appointment with makeup on
- Mascara (not sold by Lashing Artistry)
- Eyeliner (not sold by Lashing Artistry) left on and not removed with oil free makeup remover
- Eyeshadow primer
- Cream or oil based eyeshadow
- Concealer below brow line or on eye lid
- Side sleeping
- Consistent use of eye drops
- Lubricating drops
- Shampoo and conditioner running down onto face during a shower

This is a small list of things that contain oil or substances that break down adhesive rather rapidly. Your stylist will give you a copy of this list and a disposable mascara wand to take home with you, as well as directions for brushing your lashes. Before signing please be sure any additional questions or concerns you have are answered by your stylist.

Refund Policy --- Lashing Artistry Nashville will not issue refunds for loss of lash extensions and if there are less than 50% of your lashes at the time of your fill in, you will be charged for another full set of extensions.

Cancellation Reminder --- If needed, please cancel or reschedule your appointment before 5pm the day before your scheduled appointment. Late cancellations will be charged a \$50 late cancellation fee at the time of cancellation. If you miss your appointment without cancellation notice, you will be charged the full price of your service.

By signing below you acknowledge that you are aware of and agree to all above precautions and policies. You also acknowledge that you clearly understand how to care for your lashes, have looked at them carefully and are happy with the look of your lashes before leaving your appointment. If you aren't happy, please do not hesitate to let your stylist know so we can make sure you are 100% satisfied before leaving.
