Backstage Tour

Our backstage tour is something new we are offering for our young dancers! This is completely optional, but dancers in Recital 1 are invited to come **in their costumes** to Wasson Academic Campus on Saturday, May 12th for a backstage tour with our teachers. [In this line up, #2-7 please check in at 10:30am \(will be done by approx. 11:00am\) and #8-14 check in at 11:00am \(will be done by approx. 11:30am...Saturday Twirl Combo just come after your class is over at the studio...it's OK if you are there by 11:15\).](#)

Dancers will check in at the Black Box and find where they sit with their stage mom. Then the teachers will take the dancers on stage and help them find a dotty spotty. Please feel free to bring your camera to take pictures of them on the stage with all the lights and colors. This is a walk-through type of rehearsal (they will not be doing their dances because of time constraints and this is why we also have the in studio rehearsal). We hope those that participate in the Backstage Tour will get familiar with the stage, know what to expect on recital day, and that it will help parents know where to go and feel prepared!
