## Backstage Tour

Our backstage tour is something new we are offering for our young dancers! This is completely optional, but dancers in the Tiny Dancers recital are invited to come **in their costumes** to Wasson Academic Campus on [Saturday, May 12<sup>th</sup> at 10am for a backstage tour with our teachers \(we will be done by 10:30am\)](#). Dancers will check in at the Black Box and find where they sit with their stage mom. Then the teachers will take the dancers on stage and help them find a dotty spotty. Please feel free to bring your camera to take pictures of them on the stage with all the lights and colors. This is a walk-through type of rehearsal (they will not be doing their dances because of time constraints and this is why we also have the in studio rehearsal). We hope those that participate in the Backstage Tour will get familiar with the stage, know what to expect on recital day, and that it will help parents know where to go and feel prepared!
