VOLUNTEER FOR PATHS SURVEY
All survey participants will receive this groovy magnet with artwork by Marlene Tobias!

**Sign up NOW to volunteer for 2023 paths survey on Sunday, May 21**

Please [sign up now](#) to volunteer for our 5-year paths inventory on Sunday, May 21. Volunteers will fan out all over Berkeley — with clipboards in hand — to walk all the paths in Berkeley and record their condition. Berkeley Path Wanderers Association then collects the info sheets and compiles the observations into our [Paths Condition Report](#), which guides path improvements. Volunteers can choose hikes of various lengths to survey different numbers of paths, and this event is family-friendly — kind of like a treasure hunt. All volunteers will receive an exclusive, beautiful Path Wanderers magnet with artwork by Marlene Tobias to display proudly on their refrigerators!

Please email paths survey coordinator Alina Constantinescu with any questions about signing up at [alina77419@gmail.com](mailto:alina77419@gmail.com).

MEET 2 OF OUR NEW BOARD MEMBERS

Five new members have joined the Path Wanderers board this year. This month we'll introduce two: Patty Callahan, our secretary, and Angus Dunstan, our fulfillment coordinator.
Meet Patty Callahan, board secretary

Tell us a little bit about yourself.
I grew up in northern Illinois and moved to Berkeley to attend UC in the mid ’70s, where I earned a BA in art history. Although I didn’t work in an art-related field, I’ve maintained a life-long interest in art through frequent visits to museums and galleries, reading, and friendships with artists. I retired two years ago after a career in corporate communications and now spend my days walking, cooking, reading, and traveling. I visit France often and can think of few things I enjoy more than walking around Paris and seeing so much beauty—parks, gardens, buildings, people. I’m also grateful to have lived in Berkeley for almost 50 years and to have discovered so many wonderful places and sights by walking around town.

Meet Angus Dunstan, fulfillment coordinator

Tell us a little bit about yourself.
I grew up in Scotland and the North of England, married a Californian, attended graduate school in Santa Barbara, and taught for 20 years at CSU Sacramento. When our two sons went off to college we escaped the Central Valley heat and moved to Berkeley. Our two grandchildren in San Francisco make retirement a real pleasure.
