EXPERIENCE

Vesst – Sylvania, OH *March 2018 - Present*

Working remotely as a UI/UX Designer on web design, branding, and package design projects.

STEL Design – Santa Barbara, California *Feb 2017 - January 2018*

Worked on the following types of design: package, logo, web, out-of-home, presentation design. All of this for clients including: Nomad, Best Buy, Polaris, Platinum, Under Armour, Barnett, and more. In addition to the graphic design duties, I was also in charge of admin coordinator duties including: recruiting, scheduling meetings, tracking hours, maintaining office supplies, and shipping/mailing of all products. The small company atmosphere has given me the opportunity to wear many hats.

R/P Marketing – Holland, Ohio *June 2016 - Jan 2017*

Internship where I worked alongside of the full-time designers to help concept, design, and produce work for clients including: Libbey, Bluegrass Care Navigators, Hospice of Northwest Ohio, Chicks for Charity, Mercedes Benz, Welltower, and Black and White Transportation. Work typically entailed print and/or web design.

SBC Advertising – Columbus, Ohio *April 2016 - May 2016*

Internship where I worked alongside the creative team to help concept and design the Bed, Bath & Beyond circulars that are sent out monthly with deals and new products.
