After You've Gone

After you've gone
There'll be a time,
After I'm gone,
After the years

And left me crying after you've gone,
There's no denying
Now don't forget it there'll come a time,
When you'll regret it
After we break up after I'm gone,
You're going to wake up
We've been together though joy and tears,
All kinds of weather

You'll feel blue,
You'll feel sad
You'll miss the dearest pal you've ever had

You should have
You should have
You should have
You should have
Some day when you grow lonely your heart will break like mine and you'll want me on ly
Some day blue and downheart ed you'll long to be with me right back where you start ed

after you've gone, after you've gone a way
after I'm gone, after I'm gone a way
