If I only had a brain

[Music]

I could while away the hours, conferring with the flowers Con

sult in' with the rain And my head I'd bescratch in' while my

thoughts were busy hat chin' If I only had a brain I'd un

ravel every riddle for every individual, In trouble or in pain

if I only had a brain
And my thoughts I'll be thin kin' I could be a no ther Lin coln If I on ly had a brain

Oh, I could tell you why, the ocean's near the shore Oh I could

think of things I ne ver thunk be fore And then I'd sit, and think some
more I would not be just a no thin' my head all full of stuf' fin' My heart all full of pain
I would dance and be merrry, life would be a ding-a-derry, If I only had a brain
