It Had To Be You

It had to be you,

It might never be you

I wondered around,

And finally found

But they wouldn't do

Could make me be true

Could make me be blue
And even be glad, just to be sad
Thinking of you

Some others I've seen do
For nobody else

gave me a thrill
With all your faults
I love you still

It had to be you
Marvelous you had to be you
