Hold me close and hold me fast
The magic spell you cast
This is la vie en rose

When you press me to your heart
I'm in a world a part,
A world where roses bloom

When you kiss me, heaven sighs
And tho I close my eyes I see la vie en rose
And when you speak, angels, sing from above
Every day words seem to turn into love songs
Give your heart and soul to me And life will always be La vie en rose
