Out on the job
Toil for my kids
Take me a cross

Work like the devil for my pay
Sweat till I'm wrinkled and gray
And wash all my troubles a way

But that
While that
Like that

lucky old sun has nothin' to do
But roll a round heaven all day
lucky old sun has nothin' to do
But roll a round heaven all day
lucky old sun has nothin' to do
But roll a round heaven all day

Good Lord above, can't you see
I'm pining
Tears all in my eyes

Send down that cloud with a silver lining
Lift me to paradise
