D  Bm7  Em7  A  F\#m  Bm7

Some day, when I'm awfully low
Love, with your smile so warm
When the world is cold

Bm7  Em7  D  D

I will feel a glow just thinking of you
There is nothing for me but to love you
Won't you please arrange it? 'Cause I love you

Em7  F\#m  D  Bm7  Em7  A7

And the way you look to night
And the way you look to night
Oh yes you're
With each word your tenderness grows
Tearing my fear a part

And that laugh that wrinkles your nose

Touches my foolish heart

Just the way you look to night
