Back-water Blues 1927

Bessie Smith

First note=B

E    A    E    E7
When it rains five days and skies turn dark as night

A    E    E7
When it rains five days and skies turn dark as night

B7    A7    E    B7
There's trouble's takin' place in the lowlands at night

I woke up this mornin', can't even get out of my door
I woke up this mornin', can't even get out of my door
There's been so much trouble, make a poor girl wonder where she wanna go

When it thunders and lightnin' and the wind begins to blow
When it thunders and lightnin' and the wind begins to blow
There's thousands of people ain't got no where to go

The backwater blues done call me to pack my things and go
The backwater blues done call me to pack my things and go
'cause my house fell down, can't live there no more, no more

Oh, the rain's pourin' baby, yes I went out to the lonesome
High old lonesome hill I went out, high old lonesome hill
I looked down on that place where I used to live

When it rains five days and skies turn dark as night
When it rains five days and skies turn dark as night
There's trouble's takin' place in the lowlands at night

A7                        D                          G
There ain't nobody home but me

We'll pull down the shades, turn the lights down low
I'll show you, baby, what a man is fo'
Come on down to my house, baby
There ain't nobody home but me

Chorus

Come on down to my house, baby
And we'll get sloppy-drunk.
Come on down to my house, baby
We'll get drunk as a stinkin' skunk.

I got a bottle, an' you bring one too
There ain't no tellin' what we might do.
Come on down to my house, baby.
There ain't nobody here but me.

Corrina, Corrina, girl where you been so long  
Corrina, Corrina, girl where you been so long  
I've been worried about you baby, baby please come home  

I've got a bird that whistles, I've got a bird that sings  
I've got a bird that whistles, I've got a bird that sings  
But I ain't got Corrina, life don't mean a thing  

I love Corrina tell the world I do  
I love Corrina tell the world I do  
Just a little more loving let your heart be true  

Corrina, Corrina, where'd you stay last night?  
Corrina, Corrina, where'd you stay last night?  
Come home this morning the sun was shining bright  

Corrina, Corrina, girl you're on my mind  
Corrina, Corrina, girl you're on my mind  
I've been so lost without you, I just can't keep from cryin'

GORDON JENKINS - JOHNNY CASH

1953
First note=E

E
I hear the train a comin' it's rollin' round the bend
E7
and I a'int seen the sunshine since I don't know when
A
I'm stuck in Folsom Prison, and time keeps draggin' on.
B7
But that train keeps a movin' down to San-an-tone
E
When I was just a baby my mama told me, "Son
E7
Always be a good boy, don't ever play with guns"
A
But I shot a man in Reno, just to watch him die
B7
When I hear that whistle blowin' I hang my head and cry.

Solo
E
I'll bet there's rich folks eatin' in some fancy dining car
E7
Probably drinkin' coffee and smokin' big cigars
A
Well I know I had it comin' I know I can't be free
B7
But those people keep a movin' that's what tortures me
E
Well, if they freed me from this prison, if that railroad train was mine
E7
I bet I'd move it on, a little further down the line
A
Far from Folsom Prison, that's where I want to stay
B7
And I'd let that lonesome whistle, blow my blues away

Freight train, freight train, run so fast
Please don't tell what train I'm on

No more good times here I crave

So I can hear old Number Nine

**RED RIVER BLUES**

1924

**Charles Booker Jr.**

Which way, which way does that blood-red river run?

From my back window to that risin' sun.

Lord I left her, yes I left her. She treated me so unkind.

Kept me worryin' 'bout her all the time.

Red River, Red River, please tell me what to do.

Ohhhh, ohhhh. I feel so sad and blue.

I'm gonna sing these blues, then I ain't gonna sing no more.

The woman I love she drove me from my door.

Well, I gave her a nickel. Then she stole my last dime.

Not a day she'd ease my troubled mind.

Which way, which way does that blood-red river run?

From my back window to that risin' sun.

Sitting On Top Of The World  Walter Vinson & Lonnie Chatmon

Lord, I'm sittin' on top of the world

One summer day, she went away
She went and left me, now she gone to stay
My baby's gone but I can't worry
I'm sittin' on top of the world

Now don't come runnin', holdin' out your hand
I'll get me a woman, quick as you can get a man
Now she's gone an' I don't worry
Lord, I'm sittin' on top of the world.

Worked all the summer, worked all fall
Had to take Christmas, in my overalls
But now she gone and I don't gonna worry
I'm sittin' on top of the world

I'm going down to the station, down in the yard,
Gonna catch me a freight train, work done got hard
But now she gone and I don't worry
I'm sittin' on top of the world

Trouble in Mind

Trouble in mind, I'm blue, but I won't be blue always,
You know the sun's gonna shine in my backdoor some day.

I'm all alone at midnight and my lamp is burnin' low
I ain't never had so much trouble in my mind before.

Trouble in mind, it's true I have almost lost my mind,
When I get a little up front, I always end up behind.

I'm goin' down to the river, I'm gonna take my rockin' chair
And if the blues don't leave me, I'm gonna rock away from there.

You've been a mean and evil woman, you sure did treat me unkind
Well, I'm gonna be your hard hearted daddy, I'm gonna' make you lose your mind.

Yeah I got trouble, trouble, oh trouble, I got trouble on my weary mind,
When you see me laughin', I'm laughin' just to keep from cryin'.

I'm gonna lay my head, on some lonesome railroad line
And let that 2:19 pacify my mind

Trouble in mind, I'm blue, but I won't be blue always,
Cause you know the sun's gonna shine in my backdoor someday

I said the sun's gonna shine in my backdoor someday
**Walkin' Blues**

E7
When I woke this morning, feelin' around for my shoes
E7
I know 'bout that I had them old walking blues
A7
I woke up this morning, oh, feelin' around for my shoes
B7
You know 'bout that I got them mean old walking blues

Feel like blowin' my ole lonesome home
Woke up this morning, all I had was gone
I feel like blowin', my lonesome home
Well I got up this morning, all I had was gone

Leaving in the morning if I have to ride the blinds
I been mistreated and I don't mind dying
I'm leaving in the morning, if I have to ride the blinds
Babe, I've been mistreated and I just don't mind dying

Some people tell you the walkin' blues ain't bad
Worst ol' feelin' I most ever had
Some people tell you the walkin' blues ain't so bad
It is the worst ol' feelin' I most ever had

She got a Elgin movement from her head down to her toes
Break in on a dollar 'most anywhere she goes
She got a feelin' from her head down to her toes
Lord, she break in on a dollar 'most anywhere she goes

When I woke this morning, feelin' around for my shoes
I know 'bout that I had them old walking blues
I woke up this morning, oh, feelin' around for my shoes
You know 'bout that I got them old, mean old walking blues

When That Evening Sun Goes Down  

1934  
Leroy Carr

In the evening, in the evening, baby, when the sun goes down  
In the evening, in the evening, baby, when the sun goes down  
Sure gets lonesome when the one you love is not around  
When the sun go down

Last night, when I lay' sleepin', I declare, I was sleepin' all by myself  
Last night, when I lay sleepin', darlin', and I declare it was all by myself  
When you're lovin' somebody, and they're sleepin' with somebody else  
When the sun goes down

In the evenin', in the evenin', Mama when the sun go down  
In the evenin', darlin', I declare when the sun goes down  
Yeah, it's so lonesome, it's so lonesome, when the one you love is not around  
When the sun go down

The sun rises in the east, and I declare it sets way over in the west  
Sun rises in the east, darlin', and I declare it sets way over in the west  
Yes it's so hard, it's so hard to tell, which one gonna treat you the best  
When the sun go down

So goodbye, old sweethearts and pals, yes I declare I'm goin' away  
I may be back to see you again, little girl some old rainy day  
Yes in the evenin', in the evenin'. when the sun go down  
When the sun go down

YOU GOT TO MOVE  

You got to move, you got to move  
You got to move child, you got to move  
Cause when the Lord gets ready, you got to move.

You may be high, you may be low  
You may be rich child, you may be poor  
Cause when the Lord gets ready, you got to move.

You see that woman, who walks the street  
You see that police, upon his beat  
Cause when the Lord gets ready, you got to move.
