Why do they think up stories that link my name with yours?

Why do the neighbors sip all day, behind their doors?

I know a way to prove what they say is quite untrue

Here is the gist, a practical list of "don'ts" for you

Here is the gist, a practical list of "don'ts" for you

Jus' keep a slice of all the advice you give so free
Don't throw bouquets at me
Don't praise my charm too much

Don't please my folks to much
Don't look so vain with me

Don't laugh at my jokes too much
Don't stand in the rain with me

People will say we're in love
People will say we're in love
Don't sigh and gaze at me
Don't take my arm too much

Your sighs are so like mine
Don't keep your hand in mine

Your eyes mustn't glow like mine
Your hand feels so grand in mine

People will say we're in love
People will say we're in love
Don't start collecting things
Don't dance all night with me

Give me my rose and my glove 'till the stars fade from above

People will say we're in love
People will say we're in love
