We are looking for volunteers who are adults with type 1 diabetes to participate in a research study.

- Are you between 18 and 50 years old?
- Do you have type 1 diabetes?
- Did you start using a continuous glucose monitor (CGM) within the last year? OR, are you thinking about starting on a CGM?

If you answered yes to the above questions, you may be eligible to participate in a research study about CGM use.

If you are interested and would like more information, please contact Molly Tanenbaum, PhD at 650-725-3955 or mollyt@stanford.edu

Participant’s rights questions contact 1-866-680-2906.
