

## Policies and Registration

In order to ensure Pup Rally participants enjoy a safe, positive experience, the following rules and policies apply. Failure to comply with the rules and policies might result in your being unable to participate.

- Puppies must be at least 3 months and no older than 6 months of age. Proof of age is required.
- Puppies must be wearing a cloth or leather collar. Prong collars, choke chains, or any type of electric collar is not permitted.
- Puppies must have received a minimum of two distemper combo vaccines, one Bordetella vaccine, and if at least 4 months of age, one rabies vaccine. Proof of vaccines and deworming is required and must be submitted to NAHS a minimum of three days prior to first Rally participation.
- All Pup Rallies are monitored by trained Naperville Area Humane Society volunteers (known as Rufferees), and all participants agree to abide by the rules set forth by the Rufferees.
- The registration fee is \$20, payable by cash, check, or credit card (VISA, Mastercard, Discover or American Express). The fee allows you to attend four Pup Rally sessions; attend all four and receive a fifth session for free. You must register in person at the shelter and present the signed waiver at that time. Proof of participant's age and vaccine history must be presented at the time of registration.
- Refunds, for any reason, will not be issued.
