Within New York State 4-H, we prioritize creating a safe, inclusive space for learning, sharing, and collaboration. This space is welcoming to people from diverse backgrounds, cultures and perspectives.

Diversity includes, but is not limited to: race, color, religion, political beliefs, national or ethnic origin, immigration status, sex, gender, gender identity and expression, transgender status, sexual orientation, age, marital or family status, educational level, learning style, socio-economic status, physical appearance, body size, protected veterans, and individuals with disabilities.

The NYS 4-H Safe Space logo is a sign of our commitment to nurturing this safe environment for all participants in NYS 4-H programs. You may see it throughout the fair and around the state at many different 4-H programs.

If you want to learn more about creating safe and inclusive spaces for youth, we would encourage you to speak with our 4-H advisors, extension agents or state staff members who will be happy to direct you to further resources.
