[‡] These fees will be levied in semester increments depending on full-time or part-time enrolment.

Any outstanding balance at the end of the course will be required before graduation.

LA00xx units are charged at the undergraduate rate. Full-time study is typically 16cps per semester. The semester fee for a full-time undergraduate student would typically be four times the single unit fee, and two times the single unit fee for an MA(Th) student.

Please see the General Fees Policy on page 66 of the Handbook for information regarding payment of fees.
