North Brunswick Library eReader Loan Program – Borrower Agreement

The North Brunswick Public Library lends Kindles and Nooks to North Brunswick residents ages 17 and up with valid library cards in good standing.

Devices are limited to one per household and have a loan period of 21 days. They cannot be renewed. A returned device must remain available in the library for 24 hours before the same patron, or another patron living in the same household, may check it out again.

Devices are available at the Reference Desk from the time of opening until 1 hour before the library closes. Devices must be returned in person to the Reference Desk and should never be returned to another library or in the book drop.

The Library is not responsible for any liability, damages or expense resulting from use or misuse of the device, connection of the device to other electronic devices, or data loss resulting from the use of the device. Any use of the device for illegal purposes, unauthorized copying of copyright protected material in any format, or transmission of threatening, harassing, defamatory or obscene materials is strictly prohibited.

The Library is not responsible for anything you put or leave on our equipment. Personal data should be removed before the device is returned.

The eReaders are preloaded with a selection of popular titles. Patrons should not attempt to purchase any content or download any apps. Patrons should not add a passcode to the eReader.
