

## THANK YOU LETTER

Most Worshipful Prince Hall Grand Lodge, F&AM  
Washington & Jurisdiction

**JULIUS W. BROWN JR.**  
Most Worshipful Grand Master

**TO:** Worshipful Masters, Past Masters, Wardens, and Brethren all.

**SUBJECT:** Thank You for Your Continued Support

Greetings;

I pray that the Grand Architect of the Universe has bestowed upon each of you, bountiful blessings. This letter is to say with as much humility as possible, Thank you for your continued support in electing me for a second time to the position of MW Grand Master.

In keeping with tradition, I will continue to reach out for your support and assistance on behalf of your Grand Lodge. I have revealed my direction for this Grand Lodge and I hope that you will all support it. My hopes are to fill the Jurisdiction Trestle Board with fruitful projects and goals to work towards. I'm a firm believer that the absence of plans on the trestle board causes confusion in the craft. I for one do not like confusion in the craft. Peace and Harmony should always prevail. Especially in this brotherhood of ours.

I want to reiterate what I stated after the installations. I cannot run this jurisdiction alone. Your Grand Lodge Officers will be out there looking for your help with the programs they chair. They like myself, cannot do it alone. Make your skills and crafts known to the officers and offer some of your personal time to assist them in their goals and aspirations. The Jurisdiction will benefit from all you do.

Additionally, I encourage everyone to view the Grand Lodge website regularly. There will be many changes ahead that will need your input. I want our webpage to be a resource for information needed by our members. Only you know what you want and need from it. Feel free to offer advice and suggestion on what you want to the Grand Senior Warden and he will work with it from there.

In closing again "Thank You", and together we can make this year as productive for the Jurisdiction as it can be.

Fraternally,

MW Grand Master of Masons
