_____	_____	_____
_____	_____	_____

Other: _____

II. Interest and Experience.

1) How did you hear about the Resident Naturalist program? What most interests you about this position?
What do you hope to gain from your participation in the program?

2) List significant travel experiences. Please include the dates, purpose, and length of trip.

3) For each of the following languages, please indicate your level of **speaking, reading, and listening comprehension** for each (0- no previous knowledge, 1-poor, 2-fair, 3- conversational, 4-excellent, 5-fluent/native language).

a. English:

b. Spanish:

4) Please list relevant coursework you have completed (biology, ecology, entomology, natural history, geography, Spanish, etc.)

5) Please describe the most remote / rustic living conditions that you have experienced.
(a) What were the benefits of living in that situation?
(b) What were the challenges?

(5) Describe your thoughts when you were immersed in a new culture for the first time. Please be specific.

(a) Did your perception of that culture change over time?

(b) If so, how? If not, why?

(6) Describe the most successful or interesting research project or field activity in ecology, biology, sustainable development, natural resource management, agricultural management, and/or conservation you have led or participated in. Include your role, responsibilities, duration and lessons learned.

(7) Describe the most enriching educational project or activity that you have participated in as a leader. Include your role, responsibilities, duration and lessons learned.

(8) Describe a specific situation in which you had to handle a difficult person, customer, or client. Were you satisfied with how you handled the situation?

(9) Please list your short and long term goals; include your plan to achieve them.

III. Hobbies / Talents:

(1) What are your special interests, talents, and/or hobbies?

(2) Have you done any hiking, camping, climbing, bird watching, or other outdoor activities?
Please briefly describe.

(3) What sports, if any, do you play?

(4) Rate your swimming ability (1-poor/don't swim, 2-weak, 3-good but don't swim often, 4-strong and swim often).

(5) Any other special skills not noted above?

IV. Health

- (1) How would you rate your overall health? Do you have any chronic illnesses?

- (2) How would you rate your fitness and stamina?

- (3) Do you have any allergies (medicines, insect stings, food, etc)? If yes, please explain.

- (4) Are there any foods that you cannot or will not eat? If yes, please explain.

- (5) Do you require any medications on a regular basis? If yes, please explain.

V. Application Checklist. Completed application packets should include the following:

- Completed application form (this form)
- Cover letter of interest
- Curriculum vitae / resume
- Two letters of recommendation
- Official university transcript

(Accepted applicants will be required to provide proof of travelers' insurance, proof of first aid certification, and proof of valid passport.)

Completed applications should be addressed to Mr. José Montero Ramírez, Research, Instruction, and Internships Coordinator:
