

Fundraising for Parish House & Rooms Electrical Rewiring

The parish finance committee are endeavouring to raise funds towards the significant and essential property upgrade project to:

- Complete replacement of the ancient electrical circuit in the Parish House and Rooms
- Upgrade facilities to support modern standard usage of electrical equipment
- Upgrade fire safety equipment to comply with new legal standards

This work has been out to tender and will cost in the region of £19,000.

Appeal:

Therefore, along with a second collection on Sunday 12 Dec, we respectfully invite donations to our PLEDGE BOARD for this property upgrade. Individuals or family groups are encouraged to pledge monies (like the buy-a-brick concept used for new building works) on the adjoining form.

Kindly sign-up to pledge the purchase of one or more of the suggested items using the notional amounts or simply contact the parish Finance Officer directly by email:

finance@stmaryscathedral.org.uk

Viable methods of payment:

- 1) One-off amendment to your existing standing order to St Andrews, Ravelston
- 2) Use the DONATE button on this link:
<https://archedinburgh.org/news-events/>
Scroll down. In the parish search, key 'St And' and then select "St Andrew, Edinburgh" to arrive at our church.
- 3) By cheque made payable to 'St Andrew's Parish' and sent to:
Finance Officer, Cathedral Office, 61 York Place, Edinburgh EH1 3JD.
Please include a short note confirming this is a donation for the rewiring project.
- 4) Electronically via mobile banking app or online banking using the payment reference: 'REWIRING'.
Please contact the parish Finance Officer at: finance@stmaryscathedral.co.uk for parish bank account details.

Thank you!
