www.aischool.org

Delta Air Lines provides non-stop air service daily from Dublin to Atlanta.

In 2010, the Republic of Ireland opened their Consulate General in Atlanta, thus recognizing the growing business community linking Ireland and Georgia.

23 Irish companies have established 82 facilities in Georgia, investing almost \$ 1 billion and employing 9,500 people. Capital investments have been made in a wide range of industries, reflecting the diversity of Georgia's economy with a net value of \$661 billion in 2014.

The renowned Georgia Tech University has equal partnerships with the Technical Institute in Athlone, the National University of Ireland in Galway and the University of Limerick.

For more information on Georgia as a possible business location for your North American sales, distribution or production operations, please contact Ms. Ellen Kraft by calling +49 (0)89 5170 2740 or email ekraft@georgia.org
