Mission

Our mission is to support and expand the ability of all Disciples ministries to worship, witness and serve. We do this by identifying and resourcing donors who desire to make a difference through planned gifts, and by assisting Disciples ministries to be good stewards of their gifts through sound policies and prudent investment services.

Core Values

INTEGRITY
Honesty, transparency, full disclosure and the ability to fulfill our commitments.

COMMITMENT TO EXCELLENCE
Continually working to improve our services and processes and to be responsive to the needs of donors and our church.

STEWARDSHIP
Serving as trustee for donor and church dollars with the same level of commitment and care that we would have for our own resources. Understanding our purpose for being as a ministry to serve and to benefit all of the ministries of the Christian Church (Disciples of Christ).

FIDUCIARY RESPONSIBILITY
Prudent and diligent oversight of funds under management. Commitment to treat each donor dollar as a sacred gift, requiring the highest level of care.

PARTNERSHIP
Working to support all of the ministries of the church. Serving as an honest broker to connect ministries and donors for the benefit of the Gospel.
We love to tell the story...because behind every dollar at the Christian Church Foundation is a story of faith. This annual report is about telling those stories. Every name listed in this report is a story of a faithful servant responding to God’s call. I invite you to read our report, analyze our financials, but particularly I encourage you to look carefully at the names you will find listed and join us in giving thanks for their ongoing witness.

In 2018 we were blessed to receive over $27 million in new gifts and deposits. In spite of market turbulence throughout last year, faithful servants continued to tell their stories of faith, hope, and love. Throughout the year we received generous, heartfelt gifts to local congregations, had the privilege of walking with congregations as they ended their physical ministry but chose, in the midst of that heartache, to continue their legacy through gifts to others, experienced the generosity of family members to those they love and want to provide for through life-income gifts, rejoiced at the many ways regional ministry has impacted the lives of Disciples, and have been awestruck at the generosity of Disciples to the general ministries of our church. The market and the world around us may sometimes paint a bleak picture, but the story we were witness to this year was one of great generosity, unfailing faith, deep hope, and abiding love.

Our personal story at the Christian Church Foundation brought some staff changes in 2018. India Bobadilla became Vice President of the Great Lakes Zone on July 1, following the retirement of Enrique (Quique) Ocasio. India’s area includes Illinois, Indiana, Michigan, Ohio, Pennsylvania, West Virginia, and Wisconsin. Maggie Archibald began her ministry with the Foundation on March 1 as Director of Communications. In response to the growing demand for our services, we added to our treasury staff. Sloan Schafer, a recent graduate from Krannert School of Management at Purdue University, joined our investment services staff. Bill Bauer, a CPA with deep experience both as a public and corporate accountant, joined us as our Assistant Controller. With these additions, our treasury staff now includes ten full and three part-time employees. Seven of those employees have a CPA, MBA, or both, and seven have at least 12 years of service to the Foundation. Highly skilled and highly committed, these staff members deliver excellent service to our donors and partner ministries.
The Foundation mourned the loss of two leaders who played key roles in our early ministry—Marvin “Ozzie” Osborn and Orval Holt. Ozzie was one of the early pioneers in the field of fundraising. For nearly 30 years, he served as a consultant to the Christian Church Foundation’s founding president, James Reed, and was essential in shaping the strategic direction and model of the Foundation. Orval Holt joined the Foundation staff in 1980 and was the first Vice President for the South Central Zone. Orval’s quiet, calm, stable and pastoral style helped form how we do this work. Orval taught us that listening for gifts is much more important than asking. Ozzie and Orval were both a fundamental part of the story of the Christian Church Foundation and it is our honor to continue to share that story with you.

In November, the Christian Church Foundation’s board of directors approved the creation of a new investment fund. The Bostick Select Fund was launched January 1, 2019 and will continue to uphold the Foundation’s commitment to being an active, faith-based investor. The fund offers an option for donors and partner investors who wish to exclude investments in fossil fuels, weapons manufacturers, and companies targeted for divestment because of their involvement in perpetuating the Israeli-Palestinian conflict. The Bostick Select Fund also actively invests in environmentally sustainable companies as well as those responding to an increasing global population. The Bostick Select Fund honors the ministry of Rev. Sarah Lue Bostick, one of the first African-American women ordained in the Christian Church (Disciples of Christ). Rev. Bostick served the church for over 40 years until her retirement. She was a devoted worker for Christian Woman’s Board of Missions and the National Christian Missionary Society.

We love to tell the story...because every gift and every investment with us is a witness to the continued faithfulness and generosity of Disciples. We are inspired by our donors’ lives and legacies, and by the amazing, creative, life-changing outreach of Disciples ministries.

We love to tell the story...because these inspiring stories of faith remind us of our sacred responsibility to honor their legacies. It is a responsibility we are honored to carry.

Thank you for your partnership in ministry. Thank you for allowing us to share your story.

The Foundation’s joyful purpose is to help Disciples move money to mission. We are a donor-driven foundation. Distributions from funds owned or administered by the Foundation go to the charitable beneficiaries selected by their donors. The distributions shown above are from funds permanently invested at the Foundation, donor-advised or directed funds, as well as from the charitable residual of gifts that benefited individuals during their lifetimes, and then created a charitable gift. The Foundation also serves as the investment manager for investments owned by other ministries. Those investments also provide significant distributions for ministry, which are not included in the totals shown above.

The focus of the Foundation’s investment program is moving money to mission. The Foundation’s Joint Investment Trust was established to help ministries of the Christian Church maximize their resources for ministry while meeting their legal requirements.

Endowment fund stewards are called to balance current and future ministry needs. The Foundation addresses this call by selecting an asset mix that balances risks and rewards in diversified portfolios designed for long-term investors. Foundation staff work alongside our investment consultant to evaluate long-term asset allocation expectations and assess each investment manager’s performance. We work with the Interfaith Center on Corporate Responsibility, adding our voices to those of other shareholder advocates who view the management of their investments as a catalyst for social change. Our work frees investors to focus on their members and mission. By jointly investing gifts entrusted to hundreds of ministries, participants in the Foundation’s Joint Investment Trust enjoy efficiencies of scale beyond the capacity of any individual investor.

At the end of 2018, ministries of the Christian Church, including the Foundation, had jointly invested $622 million in the Joint Investment Trust. Working together, we will continue to share our story of faithfulness through growing the resources necessary for today’s ministries – and move money to mission for generations to come.
