"Tim and Naomi were so easy to deal with and their experience in hosting weddings was obvious from our first meeting. The grounds at Borambola wines provided the perfect backdrop for our wedding photos. From the vines to the lush garden, it couldn't have been more ideal. We couldn't have been happier with how the marquee looked when set up for our wedding party and guests to enjoy."

Scott & Elise Brown - Wagga Wagga, NSW

"Our wedding day at Borambola Wines was everything we had hoped for. The beautiful country backdrop, white marquee and outside dance floor provided a relaxed and personal experience for our guests and us. Naomi, Tim and the team were hands-on throughout the process and on the day. They made sure our day ran exactly how we imagined. It's such a special location to us, we visit each year!"
