alcohol	14.8%
cellar potential	Now—2021
release date	September 2016
serving temperature	65–70°F (18–21°C)
decanting	Up to an hour
tasting notes	A gorgeous example of a high-elevation mountain Cabernet Sauvignon, the ruby purple color is accompanied by aromas of black currant, perfectly-ripe plum, black licorice, anisette, and tellicherry peppercorn. A full-bodied yet delicate mouthfeel slowly reveals sweet berry, espresso, cherry cream cola, and anisette, with a subtle, yet firm, silky finish. Drink now through 2021.
pairings	Ragu bolognese, pan seared steak with chimichurri, chanterelle risotto, morels, butternut squash ravioli with sage cream sauce.
