**OUR IMPACT IN MONTGOMERY COUNTY**

The Community Foundation leverages deep community knowledge, expertise, and insight to help donors find the most rewarding and impactful ways to give back now and in the future.

Here in Montgomery County, The Community Foundation has granted over $167 million thanks to the generosity of our extraordinary network of donors. We are deeply proud of our philanthropic investments which:

- Supported those struggling to keep a roof over their heads and food on the table.
- Empowered kids to succeed in school and beyond.
- Equipped people with knowledge and skills necessary to obtain living wage jobs.
- Convened local leaders to collectively make Montgomery County stronger and healthier for all.

Join us at the Celebration to hear firsthand what we have learned over the past year from these strategic investments and get a preview of the exciting work ahead!
