2018 Forest Discovery Program

What: The "Forest Discovery Program" is an activity oriented summer day camp for boys and girls ages 7 to 12. Each day we explore a different area of our Community Forest Lands. As we hike, play games, make nature journals and experiment, we learn about wild animals, native plants and different habitats.

Where: Forest Discovery will meet at a different trailhead each day. More detailed instructions, maps & directions will be sent to you prior to your session. The trails are all within the Anacortes City limits.

When: There will be TWO sessions offered. Each session will meet Tuesday through Thursday. Your child may attend only one session. Please do not sign your child up if you do not plan to attend all three days. Dates and Times are as follows:
