Dell Women in Action &
Tennessee Breast Cancer Coalition

Dell Women in Action (WIA) has supported Tennessee Breast Cancer Coalition (TBCC) for the past two years through our annual golf tournament. Last year, Dell WIA donated $20,000 to families struggling financially due to a breast cancer diagnosis.

The Tennessee Breast Cancer Coalition’s mission is to be the foremost advocate and provider for Tennesseans facing breast cancer through individual assistance, education, and legislative action. TBCC through the Emergency Access Fund (EAF) pays necessities such as rent or mortgage payments, utilities, and insurance premiums of individuals who have become financially burdened due to loss of income because of cancer treatments. Many of these individuals are single mothers who are the sole provider of their family.
