Food & Drink

Here's a short list of great caterers. If there's a restaurant in town that you like, it may be worth calling or checking their website to see if they cater. Food trucks are another option. Most food caterers can also do alcohol catering, should you require it.

Please be aware that food service is one of the trickier aspects of hosting an event at ECCO. Caterers must park behind ECCO and deliver food into the venue: the best way to pull this off is to reserve a few parking spots behind ECCO, which can be arranged in advance through the DTCA parking office at 231.922.0241. Each spot costs \$15 per day.

Uptown Catering: A long-time vendor at ECCO. Plenty of event packages. UpTownTC.com.
