

MICHAEL CHAMPLIN

ART DIRECTION / DESIGN

EXPERIENCE

UI / UX DESIGNER

Eighty-Three Creative | Jan 2016 - Present

Lead UX/UI design process for native apps: conduct UX research, wireframe and design user interfaces. Work directly with Android and iOS developers to see apps completed, tested and submitted to app stores.

ART DIRECTOR

Bottle Rocket | 2015

Design concepts for native mobile applications, create development blueprints & participate in design charrettes. Assist with front-end development on responsive web applications.

DESIGNER / ART DIRECTOR / PHOTOGRAPHER

Freelance | 2009 - 2016

Created design solutions for a wide variety of clients across a number of mediums. Marketed services, managed projects, social media. Clients include Zipcar, Verizon, RealPage, Tech.co and American Cancer Society, among many others.

SKILLS

Adobe CC
