

City Of Jefferson **Mission Statement**

The Mission of the City Of Jefferson, as represented by its employees, and its elected and appointed officials, is to:

Cemetery
City Council
City Hall
Community Development
Conser House
Library
Planning Commission
Police
Street Maintenance
Water Treatment
Waste Water Treatment

- **Provide the public with city services and facilities necessary for the enjoyment of small city living within our financial resources**

- **Provide leadership by focusing city resources to address community needs and opportunities**

- **Plan for the future to ensure that our city will continue to be a place where life can be enjoyed**

To Accomplish This Mission, We Will:

- * Maintain, improve, and develop the city-owned infrastructure
- * Maintain and enhance the city's residential areas
- * Encourage the economic health of the community
- * Provide occupational, recreational, and cultural opportunities
- * Provide for the safety of persons and property
- * Provide high quality city services efficiently and courteously
- * Promote the health and well-being of the citizens
- * Develop and maintain a well trained, creative, and motivated city work force
- * Preserve and promote local history
- * Recognize our multicultural heritage as a resource

Adopted by City Council, June, 1999
