AUGUST NEWSLETTER

A Great Start

We have had a great start at the ELC this year! The ELC welcomed students ages one through four into our Mom's Morning Out and Preschool programs. We have added several new students this year and we are excited to have them as part of our student body. Our school year will be packed with fun learning activities and events. Stay tuned to our events by checking our website at www.firstconyerselc.com and remember to check your child's folder every day.

Carpool Reminders

Our carpool line is running smoothly during the drop off and pick up times. To make it even better, please remember the following:

- Please stay in your car and a staff member will take your child out or put your child in the car. Please do not get out of your car.
- Please make sure your carpool tag is visible.
- If you need to speak with a teacher, please park and come in. We will assist you after carpool.
- If walking in to pick up your child during carpool, please wait for a teacher to assist you. We need to have all students seated before we begin releasing students.
- For those picking up at 1:00p.m., please use the carpool line if possible.
- If you arrive after 9:10 a.m. to drop off your child, you must walk them in by way of the administrative offices at the front of the building. Carpool ends at 9:10 and teachers and assistants are in their rooms.

Thank you for making our arrival and dismissal times safe!
