Kony led the LRA as it terrorized Ugandans for nearly 20 years and battled the government of President Yoweri Museveni from bases in northern Uganda and neighboring countries. In recent years it has

For Hounkpe, it is necessary to wait for the courts and international organizations to rule. "Our approach cannot be yours, the conclusion cannot come before the investigations," noted the deputy prosecutor. DRC's deputy prosecutor breaks down the ICC's sluggish pace with precision (Africa News)

Satellite imagery captured on November 6 shows what could be fresh graves on the northeastern side of Ardamata cemetery. Those graves were not visible on satellite imagery recorded on November 2. bodies. He said that Arab militia stopped his group in Adikong, an Arab settlement along the border with Chad:

On November 7, a 45-year-old Massalit farmer said, Arab militiamen accompanied by Rapid Support Forces vehicles entered the house where he was sheltering in Ardamata camp. The attackers brought seven

Regional and international actors have ignored the alarms that survivors have raised for months on the risks of further atrocities in West Darfur," Osman said. "The Security Council needs to take concrete

Satellite imagery taken the first week of November shows the impact of the shelling on civilian and military infrastructure as well as looting and arson in and around the Ardamata displaced people's camp. Ongoing Human Rights Watch research and media reports indicate that they killed civilians by the thousands, burned whole neighborhoods and sites where displaced people had found refuge in El Geneina,

"An emergency law does not eliminate that risk. What the [UK] government is saying is: 'We don't care if we send people back to their death,'" she told Al Jazeera. Una Boyd, an immigration solicitor at the Committee on the Administration of Justice (CAJ), told Al Jazeera that the Rwanda plan was part of a "broader pattern of the UK government undermining and

However, the charges against Ruto, Sang and Kenyatta were later dropped due to insufficient evidence and witness interference. The United Nations estimates some 200,000 Haitians have been displaced during escalating violence, with armed gangs carrying out indiscriminate killings, kidnappings, gang rapes and torching people's

The White House did not immediately go into specifics on their promises but said it drew on previous African-led negotiations in the Kenyan capital Nairobi and a follow-up conference in the Angolan capital

During her visit, the expert will meet Government representatives, UN officials, law enforcement bodies, civil society organisations and survivors, and peacebuilding organisations. She will visit Bangui and

She will also examine the human rights concerns relating to risks of trafficking during displacement, including internal displacement and protection needs of refugees, stateless persons and migrants.

In November 2022, M23 rebels killed 171 people in Kishishe, according to the UN, mainly boys and men they accused of being militiamen. Earlier this month, M23 rebels seized the North Kivu village of Kishishe, around the historic stronghold of the Democratic Forces for the Liberation of Rwanda, created by Rwandan Hutu leaders linked to the 1994 genocide against Tutsis. Kagame frequently has demanded action against Rwandan Hutus in the neighboring country linked to the

The Niger State Police Command's spokesperson, DSP Wasiu Abiodun, could not be reached by phone. He also did not respond to a text message sent to him.
Munyemana fled to France in 1994 and continued his medical career at Villeneuve-sur-Lot Hospital until 2009 he was suspended.

The killings did not stop at physical violence. The witness claimed that Tutsi women were injected with syringes containing deadly substances in their private parts.

The witness further revealed that Munyemana, in collaboration with other sector leaders, initiated roadblocks where numerous Tutsi were targeted and killed. She alleged that Munyemana maintained a list of
