Tent-Keeping

Please do not take bath house towels
to the creek.

Extra bedding and towels
available by request.

Bedding will not be changed
unless requested.

Stoves

On cold nights, stoves can be
lit to heat the tents.

Please contact the porters for
stove lighting service.

Please do not light the stoves
without assistance.

Practice Fire Safety

Do not play with matches

Do not throw lit cigarettes on the ground.
Use receptacles provided.

EAT A ROACH
SAVE A FOREST

Wildlife

There is an abundance of wildlife on the
site. Join us in taking every precaution to
prevent unwanted encounters.

Respect our surroundings and their habitat.

Be aware of the existence of ticks. Do a
check after hiking and in the evenings
before bed.

Bug spray is provided. Use it
generously and wear a hat and socks
whenever possible.

There are black bears in the area. None
have visited us at Here Here and we'd
like to keep it that way. We follow a strict
cleanliness policy and control where food
is stored.

Pet

All good dogs welcome with up-to-date
health certification.

Be a responsible and courteous dog owner.

Pick up after your dog and use a
leash if necessary.

THE MESS

Bar and restaurant with a pretty
decent wine list, serving
local beer and cider as well as
good food.

Open to guests and members,
and whenever our sign says we
are. Usually dinner on Wednes-
days, Thursdays, Fridays, and
Saturdays beginning at 5pm.

For Guests

Daily meals are served family
style and include breakfast
and dinner.

No outside food or beverage is
permitted. If it's a must for a
dog, child or medical reasons,
we will store the food for you.

No food allowed at tent sites.

SORRY WE'RE HIGH

Elevation: 1,158 ft (353 m)
