

CORPORATE PARTNERS PROGRAM 2017

Join us as a Corporate Partner and support our life-changing work!

Partner with Prairie Center and your company or organization will **be associated with one of the region's most hard-working and respected addiction treatment and prevention centers.**

The work we do at Prairie Center **touches the lives of over 7,000 people every year.** For nearly 50 years our dedicated staff have helped children, adults, families, and workplaces deal with their addictions and find their path to recovery and sobriety.

Whether you're a Fortune 500 company, a small business owner, a service organization, or a place of worship, your partnership can help us achieve a goal we can all embrace: **transforming lives and building new futures.**

Together, let's build strong children, strong families, and strong communities.
