MISSION STATEMENT:

The League of Women Voters, a nonpartisan political organization, encourages the informed and active participation of citizens in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy.

Meet Your 2018 Cabinet Office Candidates

With our exciting Primary Season behind us, we have sent Save-the-Dates to each candidate running for Florida's Attorney General, Chief Financial Officer, and Commissioner of Agriculture for our "Meet Your 2018 Cabinet Office Candidates" September Hot Topic Dinner. Cabinet Office candidates and/or their surrogates are encouraged to attend with any campaign literature and collateral they have available, and each candidate and/or representative will be given 3 - 5 minutes to introduce themselves and their vision for the Cabinet Office if elected.

Save-the-Dates for the September Hot Topic have been sent to the following qualified candidates:

Attorney General:
Ashley Moody (R)
Sean Shaw (D)
Jeffrey Marc Siskind (NPA)

Chief Financial Officer:
Jimmy Patronis (R), Incumbent
Jeremy Ring (D)

Commissioner of Agriculture:
Matt Caldwell (R)
Nicole "Nikki" Fried (D)

Date: Wednesday, September 26
Time: 5:30 p.m.--7:00 p.m.
Location: Four Points by Sheraton
316 West Tennessee Street
Menu: Grouper Italiana or Parmesan Polenta
Cost: Members - $22  Nonmembers - $25
FOR RESERVATIONS please call 309-3005 and leave a message or email LWVTallahassee@gmail.com.

Because the League must pay for reservations cancelled after Saturday, September 22, those who cancel late must reimburse the League for the cost of their reservations or find someone to take their places at the Hot Topic.

President's Message

Vroom! With the Primary Election just behind us, there is no time to relax before the November 6th General Election. But we can take a moment to applaud all of our energetic members who have done so much to inform voters this long hot summer primary season. We developed an informative Vote411.org webpage filled with candidate information. We held three forums for key local primary races. We gave several presentations on the 13 Constitutional Amendments. And we continued to register and inform voters at our Saturday market and around town. Thanks to everyone who worked so hard.

Students are returning to college campuses and with our new free student memberships we are seeing an uptick in student activity. We have begun planning some exciting events involving college students, and there are plenty of opportunities for you to be involved. We hope to energize a new generation of informed voters. Here's a link to some interesting research investigating: Why Youth Don’t Vote.

I am writing this message on Women's Equality Day, celebrating the 98th Anniversary of the 19th Amendment to the Constitution, giving women the right to vote. The League of Women Voters was formed then to empower women to use that new right wisely. As we approach our 100th Anniversary, I am excited about all the ways that we can celebrate and commemorate the year. It's not too early to start planning. There are some great ideas at the National Women's History Project webpage.

National Voter Registration Day is Tuesday September 25, although every day is registration day for the League! One easy way to encourage people to learn more about voting is to share the League’s website BeReadyToVote.org, which is filled with information and links for all things voting in Florida.

I look forward to meeting some of our new members at the upcoming orientation September 5. This election season, I couldn't be more proud to be a member of the League of Women Voters. We help make Democracy work!

Teri Cleeland, President
League of Women Voters of Tallahassee
Leon County Opens an Additional Early Voting Site for Students

The League is thrilled with the recent announcement from Supervisor of Elections Mark Earley that there will be an additional early voting location at FSU's Tucker Center to serve students from both FAMU and FSU. Last month, U.S. District Judge Mark Walker ruled in favor of the League of Women Voters of Florida, which had sued Gov. Rick Scott's administration and successfully challenged a ban on campus early voting. Congratulations and thanks to FSU President John Thrasher, Supervisor of Elections Mark Earley, and his dedicated staff who found a way to make this happen. And thanks to everyone who made phone calls and wrote letters of encouragement to help create this opportunity for thousands of area students to vote. Now let's make sure they get to the polling place and make them lifelong voters.

Teri Cleeland

Election Season Voter Services

With election season underway, Voter Services is busier than ever! Currently, we have a table at two Saturday morning farmer's markets (Downtown and Frenchtown) and one Thursday afternoon farmer's market (Southside). At these markets, we register voters and provide information about the upcoming election. Additionally, we have volunteers register voters at the homeless shelter (Kearney Center) on some Friday afternoons. We also have opportunities to volunteer from home to help spread the word about Amendment 4, which will give ex-felons (except those convicted of murder or sexual offenses) the chance to earn back the right to vote by completing all terms of their sentences. We are working on ways to increase voting among college students, including a "Party at the Polls" prior to the election. We welcome participation in any of these activities, regardless of whether you already are a member of the Voter Services group. If you are interested in any of these activities and are not currently a member of the Voter Services group, please send us an email at voterserviceslwvt@gmail.com.

Margaret Boeth and Barb Licht

More From Voter Services

"You are on our "Wanted List" ...!!"

Time is flying by, and Voter Services is very busy receiving invitations to educate, register and inform citizens of all ages. We need your help in fulfilling those requests. Remember why you joined the League? You wanted to do something that would make a difference. Well, we have many opportunities for you to use your talents.

Here are some ways to be involved:

REGISTER VOTERS at the parks, markets, the homeless shelter or other locations. Organizations often ask the League to set up a table at one of their forums or events where we register voters or help them change their addresses. We provide information on issues, and ballot initiatives. We help them prepare to vote by using Vote411.org and BeReadyToVote.org.

WORKING WITH COLLEGE STUDENTS. The League has challenged students of TCC, FSU and FAMU to increase neighborhood voter turnout at targeted precincts in the area of each of their campuses. There will be opportunities to assist with educational events, or help with a neighborhood "Get Out the Vote" celebration (Party at the Poll) at each college. (It has been shown that making voting a celebration can increase voter participation between 2% - 6% at a
designated precinct.) This will be a new experience for the League, so we need as many volunteers as possible!

Send us an email (see below) for a list of the jobs you can choose from. For example, we'll need people to take pictures of students working on their challenge and at the parties. Some of the other positions for the day of the party are: site coordinator, greeters, troubleshooter, floaters, Press Point-Person, and Set-up.

BANDWAGON. Would you like to see behind the scenes how WFSU-TV puts together a candidate forum, or assist with the candidates? There are volunteer jobs that day.

DEVELOPING LESSONS FOR MIDDLE AND HIGH SCHOOL STUDENTS. We are looking for members who would like to create lessons on such things as voting and the electoral process, that are fun, entertaining and interactive. It's like being a grandparent -- we can have fun (no tests, grades, or boring lectures) and then we leave and hope they learned something and will invite us back!

If there is something else that would be under "Voter Services" that we have forgotten, please let us know and we'll put you to work. You don't need to join the committee or make long-term commitments -- we would be happy for your assistance for whatever time you want to offer. Please join us by replying to voterserviceslwvt@gmail.com or call:

Margaret Boeth 504 - 8492 (H), 508-4800 (C) or Barb Licht 254 - 5578 (C)

**Climate Change & Sustainability**

The Climate Change & Sustainability group is planning a “Saving Wakulla Springs Tour” on Thursday, September 20, in lieu of its regular meeting. Our tour leader will be Jim Stevenson, who was the chief naturalist of Florida’s state parks for 20 years, the former coordinator of the Wakulla Springs Basin Working Group, and former chairman of the Florida Springs Task Force. All are welcome to join us for this very special tour. "Saving Wakulla Springs" is a car caravan/hiking tour. The tour departs from Cascades Park at 8:00 a.m. and ends at the tower overlooking the spring at 12:00 noon. The tour is limited to 20 participants and carpools are strongly encouraged. (Some of the visit sites have very limited parking). After the tour, everyone can stay for an optional lunch and boat tour. At 3 p.m. there will be a meeting of the Wakulla Commissioners that we are encouraged to attend. The Commissioners are actually considering reducing the septic tank requirements.

We are making arrangements now and if you would like to go, please contact Steve Carter ASAP to reserve your place.

His phone numbers are 850-597-9985 (H) or 850-320-4298 (C). You will need to pay him $15 by check (make the check out to Steve) and mail it to Steve Carter, 6480 Tracy Lane, Tallahassee, FL 32309.

*Linda Lee, Chair*
*Climate Change and Sustainability Study and Action Group*
The EVs are Coming! The EVs are Coming!

...to Tallahassee...sounds the clarion call of Paul Revere...to an Electric Vehicle (EV) Expo organized by Sustainable Tallahassee on Saturday September 15 from 9:00 a.m. to 1:00 p.m. It is part of the National Drive Electric Week. Ours is one of eight in Florida. See [https://www.sustainabletallahassee.org/](https://www.sustainabletallahassee.org/)

The Expo will be adjacent to Lake Ella at the St. Paul's United Methodist Church, 1700 North Meridian, specifically in their Foundation Parking Lot. Both dealers and owners will be showing EV's (both all electric and plug-in hybrids). There will also be electric bicycles and an electric Star Metro bus.

This Expo is the official beginning of a local EV Campaign that will include forming an EV Owner's Club plus advocacy for increased EV infrastructure as well as encouraging the City, the County and Leon Schools to transition to EV's. LWF, as a step towards Climate Action, has been promoting electric vehicles through a partnership with the Southern Alliance for Clean Energy's "Electrify the South" Campaign encouraging people to take a Next Car EV Pledge.

P.S. Here are the links to National Drive Electric Week:  [https://driveelectricweek.org](https://driveelectricweek.org) and Electrify the South [https://www.electrifythesouth.org](https://www.electrifythesouth.org).

*Steve Urse*

---

**Membership Committee**

It's my honor and privilege to serve as your new Membership Chair. I am relatively new to LWVT, joining in early 2017. However, I bring nearly a decade of experience serving other nonprofit organizations and more than a 30-year career in management and executive leadership.
I don't take on this task lightly. Recruitment and retention of informed and active members is the lifeblood of an organization; and assuring a continuing stream of informed and experienced leaders supports the League's vision for participatory democracy.

I am very pleased to report that the LWVT membership network is growing from 296 at year end 2017. We are currently 376 members strong, and of this number 32 are students. As we head into 2019, I look forward to working with many of you to execute strategies that continue this uptick in membership. And importantly, keep our membership retention high.

Thank you for welcoming me into LWVT; I will pay it forward as your Membership Chair by being welcoming, inclusive, and attuned to the needs of our new members and volunteers. For those of you who have been around awhile, I may call on you to become a "buddy" for a new member.

The next New Member Orientation is scheduled September 5, 2018 beginning at 6PM, LeRoy Collins Public Library, downtown Tallahassee.

Trish Neely, LWVT Board Member
Membership Chair

Health Care Study and Action

The Health Care Study and Action Group toured the Care Point Health & Wellness Center as part of its August meeting. The Center was developed by Big Bend Cares, the HIV/AIDS organization serving the eight-county Big Bend area. The modern new primary care center is located across from the Big Bend Cares building on South Monroe Street in Southside Tallahassee. All medical services provided by Big Bend Cares to HIV/AIDS patients have been moved across the street to the new building where HIV/AIDS patients are seen by visiting physicians from Bond Community Health Center and the FSU College of Medicine.

The Center has begun providing primary care services to patients over the age of ten through the services of an Advanced Registered Nurse Practitioner. Care Point is a one-stop-shop health care facility with the capability of offering laboratory, pharmacy, and radiology services. Services are provided in pleasant, fully equipped exam rooms. Confidential testing for sexually transmitted Infections, HIV and Hepatitis C with immediate results will be available in a location convenient to the college students residing nearby. Dental services for patients over 18 years of age are planned to start in the fall. The Center houses social workers who have begun coordinating the provision of mental health services.

The facility is on the bus routes and transportation to the facility is available with two-day notice. All insurance is accepted, and Medicare, Medicaid, and uninsured patients are served. Patty Ballantine, COO and Clinic Director, welcomes visitors. Our group met with Patty in a fantastic conference room that is available weekdays until 7:00 p.m. free of charge to community groups. For contact information, check out their website at carepointwellness.com.

During the meeting, the group approved plans to support the Y.O.U.T.H. Ten Toes Down conference, a youth empowerment event promoting healthy living, mental health and public safety scheduled for September 22, 2018. Future meetings will continue to explore how the League can learn about services and opportunities addressing the health of Leon County. To join us, contact me, Kathy Winn.

Kathy Winn,
Chair, Health Care Study and Action Group
An Important Question about Campus Voting

Now that the League has helped make early voting on campus a reality, we can help them make the most of the opportunity. We've been getting questions in our inbox and want to share the answers with you. Here is a question that students frequently ask and the answer from the Leon County Supervisor of Elections office:

Question: Thank you for allowing early voting for FSU and FAMU students. Must students be registered in Leon County to vote there?

Answer: Yes, in order to vote in person during Early Voting or on Election Day in Leon County voters must be registered to vote in Leon County. Our office cannot issue ballots for other counties or districts.

Students who are attending school in Leon County may register to vote at their current address while they are attending school. Students who are already registered to vote in Florida may contact our office to change their residence address, so that they are then registered to vote as Leon County residents. Address changes may be completed over the phone by calling (850)606-8683, Monday - Friday, 8:30 AM - 5:00 PM, or by using the address change options on our website, www.LeonVotes.org. Students who are not yet registered to vote may register to vote using the Florida Voter Registration Application. The application is available as a PDF on our website. The state of Florida now has an Online Voter Registration System, which will allow students to submit the Florida Voter Registration Application entirely online: https://registertovoteflorida.gov/.

Students who wish to remain registered to vote in a different county should contact the Supervisor of Elections in their home county to inquire about a Vote by Mail ballot, or make arrangements to return to their county of residence to vote in person.

If you have further questions, Stephen Usztok, Voter Services Specialist II, at the Leon County Supervisor of Elections Office, would be happy to help.

Remember that the last day to register for the general election is October 9.

Teri Cleeland

Looking for "Kids Voting" Advocates

Our League has been a part of Kids Voting for many years. This nationwide program, sponsored by Supervisors of Elections, introduces young people to voting through using their own voting booths on Election Day. In 2016, over 19,000 Leon County students participated in the program, which would not have been possible without the support of Kids Voting Precinct Adopters.

This year, our long-time organizer is stepping away from this task. Will you be the one to represent the League this election year? It requires a Precinct Captain and volunteers to assist. The Supervisor of Elections assigns you a precinct. You and your team, in the League's name, will staff the precinct on November 3 and 6.

If you might be interested, please contact Teri Cleeland for more information.
Remembering Barney Cook

We were saddened to learn of the passing of Barnett "Barney" Cook, who passed away in Clear Lake, Iowa, on July 12, 2018. Barney and his wife Laura are long-time members of the Tallahassee League. We express our sincere sympathies to Laura Cook on the loss of her husband.

Let's Carpool!

Anyone needing a ride or seeking to drive less, reduce their carbon footprint, or just get to know their fellow League members better can sign up for carpooling to Hot Topics or other League events by sending their name, address, phone number and/or email address to metaorleans@gmail.com. We need sufficient numbers to make this work. Thanks. You would be amazed at how many members practically live next door to each other, but we need your permission to put you together.

Voter Deadline

The next Voter will be the October Voter. The deadline for submission of material is September 27. Please e-mail your material to sbaker@fsu.edu

LWVT Board of Directors 2018-2019

(Board members are either elected or appointed. Those elected are so indicated by "E" and their term of office. Appointed members (A) serve one year but may be re-appointed. Officers are elected for one year.)
