Annual Business Meeting

Our April gathering is all about us—it’s our annual business meeting. We urge you to exercise your right to vote by attending this vital meeting. We will elect new Officers who serve one-year terms, three members of the Board of Directors who serve two-year terms, and vote on a proposed Program and Budget for the coming year. The nominated members of the Board and the proposed program were presented in the March Voter newsletter, and the proposed budget is in this edition. Please read the material and prepare to help determine the direction of your League for next year.

After business we'll enjoy dinner, look at our year in review, and hear from our special guest, Jessica Lowe-Minor, Treasurer for the League of Women Voters of the United States. Many of you know Jessica as a local leader, and we are proud of her prominent role at the national level. We'll hear a brief update on where the League is headed nationally and have a conversation about whatever you are interested in.

Date: April 24
Time: 5:30--7:00 p.m.
Location: Four Points by Sheraton
316 West Tennessee Street

President's Message

It is hard to believe that our annual membership meeting is coming up this month! We used to hold it on a Saturday, but with so many spring events in town, the Board decided to keep it on the fourth Wednesday of the month in hopes that more members can attend. In the almost-year since I became President of our League, I've become more impressed than ever by the caliber and energy of our membership.

Every single thing that we do is done completely by volunteers: editing this newsletter, checking the email and voice mail, processing all the postal mail, managing the budget and banking, updating the membership roster and welcoming new members, designing and producing brochures, developing interesting Hot Topic events and checking in guests, creating candidate forums and getting information for our Voter Guide, registering voters, wrangling monitors to Legislative hearings, even posting to social media!

We have no paid staff, our phone is "virtual," and our "suite" address is a tiny post box. For more than sixty years, through generations, the Tallahassee League of Women Voters has persisted because of our passion for connecting citizens with their government. Our budget is small because we want to spend our energy on our mission, not fundraising.

And our members have always come through when we need them. Our April "Hot Topic" is all about us--celebrating our accomplishments of the past year and planning our next ones. Thank you to all who give their time and donate their funds to our cause. Please join me at our Annual Meeting to elect our leaders, approve our program and budget, and celebrate all that you are a part of.

In League,

Teri Cleeland, President
League of Women Voters of Tallahassee

2. Proposed Program for 2018-2019

Article X, Section 2, of the Bylaws of the League of Women Voters of Tallahassee provides that the Program of the LWVT shall consist of those local governmental issues chosen for concerted study and action. The Program arises from the suggestions of members. The Board of Directors is responsible for reviewing and discussing these suggestions, formulating them in appropriate language, and recommending all, none, or some of them for adoption by the membership. The following is the Program recommended for adoption at the annual meeting in April.

The Tallahassee League of Women Voter's priorities are:

* voter registration,
* voter education,
* advocacy for free and fair elections.

We will monitor local issues and educate voters on the merits of the issues by conducting Hot Topics meetings and public forums with the goal of increasing access to our events by the general public. We will advocate for League issues by meeting with county and city officials to educate them on our priorities. Our League has an ongoing goal of increasing diversity within our membership.

Voter Services
Register voters at all available opportunities such as the Saturday Downtown Market, college and school sites, etc. Participate with the New Citizen Initiative by providing information on the League and our issues. Educate the public on voter registration changes, voter systems and voter rights. Work with the Leon County Supervisor of Elections to advance election reform.

Ethical Government
Support and monitor the work of the local Ethics Commission. Hold public officials to high ethical standards.

Local Government
Monitor City and County Commission agendas and minutes to be alert to evolving issues. Promote efficient and responsible local government.

Education
Support the Leon County School Board's efforts to assure equity in funding and accountability between traditional public schools, charter schools, and private schools receiving vouchers. Monitor and educate the public on the re-segregation of Leon County Schools.

**Health Care**
Advocate for expanding access to health care with the goal of universal coverage. Support Medicaid expansion and proposed legislation providing access to health care, mental health, substance abuse and dental care services. Advocate for continued county planning and funding for health care services for the uninsured and initiatives such as mental health courts and crisis intervention training. Support women’s reproductive rights and access to women’s health services.

**Climate Change and Sustainability**
Educate League members and the community on climate and environmental sustainability issues. Promote local and regional initiatives to ameliorate climate change and enhance long-term sustainability. Support increased use of solar energy and electric vehicles.

**Social and Economic Justice**
Promote existing League positions and activities that address economic disparity. Seek to enhance educational and economic opportunities throughout the community and promote social justice. Adopt and support the League of Women Voters Diversity, Equity, and Inclusion Policy.

**Lobby Corps**
Continue to support the state League’s legislative advocacy effort at the Capitol by training volunteers in citizen advocacy, including monitoring and reporting on state legislative actions of specific interest to the LWV Florida.

**Gun Safety**
Support local government's right to enact ordinances to require background checks, closing gun show loopholes, and banning assault weapons. Join effort to gather signatures for the BAWN constitutional amendment (Ban Assault Weapons Now).

**Non-Recurring Projects**
Plan and conduct appropriate activities to celebrate and commemorate the Centennial of the 19th Amendment and the founding of the League of Women Voters.

Support League efforts regarding the NPV (National Popular Vote interstate compact).

3. **Proposed Policy**

The Tallahassee League proposes to adopt and support the League of Women Voters Policy on Diversity, Equity, and Inclusion:

There shall be no barriers to full participation in this organization on the basis of gender, gender identity, ethnicity, race, native or indigenous origin, age, generation, sexual orientation, culture, religion, belief system, marital status, parental status, socioeconomic status, language, accent, ability status, mental health, educational level or background, geography, nationality, work style, work experience, job role function, thinking style, personality type, physical appearance, political perspective or affiliation and/or any other characteristic that can be identified as recognizing or illustrating diversity.

4. **The proposed 2019-2020 Budget**.
LWVT Welcomes New Citizens!

Members of the League are now attending the Naturalization Ceremonies at the Federal Courthouse. We welcome the new citizens and introduce them to the nonpartisan information that the League can provide so they can become educated voters. This year seventy-three petitioners were sworn in as citizens of the United States in January and in March. The next ceremony will May 16. If you are interested in attending this impressive ceremony, please contact Sandra Kendall at fitzkendall841@gmail.com.

The Tallahassee League of Women Voters was represented at the January ceremony by Sandra Kendall and Margaret Boeth. Those attending in March (L-R in the photo) were Sandra Kendall, Margaret Boeth, Trish Neely, and Linda Davis. The Honorable Charles A. Stampelos, U. S. Magistrate Judge, who presides over the Naturalization Ceremonies in the United States District Court, introduced the League members.

Membership Renewal Time!

The LWVT membership year is from May 1 through April 30. This means it is THAT time again. Fiscal Year 2019/20 will begin on May 1 and all memberships need to be renewed before or at that time (unless you joined or renewed during the period from January 1 through April 30, 2019). In case you do not remember the membership levels and their dues are:

- Individual membership - $60
- Household membership - $90
- Student membership - $0
- Susan B. Anthony individual membership - $100 (dues plus $40 donation)
- Susan B. Anthony household membership - $150 (dues plus $60 donation)

In addition, you may include donations to the LWVF Education Fund (tax deductible) in your check.

Your membership supports the League’s work at the state and national level. Each new or renewed member’s dues of $60 per year results in $32 for national and $15 for state. Our
Tallahassee League receives only $13 for each individual membership (plus $6.50 for the second member of the household). Your additional SBA membership funds our vital local work—voter outreach materials, training and workshops, marketing (website and partnerships), and business needs like the phone and post office box. Tax deductible gifts are kept in a special account for voter education purposes. Either way, we really appreciate your extra support.

You may renew by check, credit card, or cash at the Annual Meeting or the May Hot Topic, or save hassle and postage by using the PayPal portal on our website (lwvtallahassee.org). You may use any credit card to renew.

The first reminder letter will be sent June 1, but it would be extremely helpful if you would make your payment before that date. **Renew online or mail to: LWVT, 1400 Village Square Blvd, Suite 3, Box 115, Tallahassee, FL 32312.**

Thank you so much!

*Peggy Ramsey*

Centennial Committee

Our Centennial group is growing and the ideas keep flowing! Some of them include: having an old fashioned suffragist march and float in next year's Springtime Tallahassee parade; engaging the universities about oral histories, archives, and an OLLI class; a reception for female political leaders; an essay contest; feature articles in print and on air; and partnerships with a variety of organizations.

Join us for the next informal Happy Hour at Backwoods Bistro on Wednesday April 17 from 5:30-7:00 p.m..

The commemoration will get an early start with a national exhibit opening at the Historic Capitol Museum next week. There will be a special evening reception from 5:30 to 7:30 p.m. on Friday April 5 featuring new Secretary of State Laurel M. Lee. The exhibit continues until May 25, 2019. It looks fascinating

Climate Change/Sustainability Action & Study Group

March Hot Topic Success
Our CC/S group was proud to host Mayor John Dailey and staffers Abena Ojetayo and David Byrne as our March Hot Topic Speakers. We had a record audience of 68 at the lunch to hear the latest efforts of our City to work toward achieving the Resolution of 100% Renewable Energy by 2050 or sooner. The Mayor and his staff also answered questions about community economic problems and goals. It was a lively and informative event!

**Adopt-A-Street**

The League of Women Voters of Tallahassee has officially adopted Duval Street, from Brevard to Tennessee as part of the City of Tallahassee's Adopt-A-Street program.

You may have noticed the blue road signs indicating city streets adopted by local organizations, businesses, and families. Volunteer groups participating in the program help to generate pride in the community and save taxpayer dollars by reducing the need for the city to pick up litter. In addition, seeing volunteers at work along the road often makes motorists think twice before carelessly discarding their trash.

Participation in the program means we will be picking up the litter on our adopted street approximately 4 times per year, beginning Saturday, May 4, 2019, at 9:00 am. We will be needing from 8 to 12 LWVT-member volunteers per cleanup date. We will provide safety vests, pickup sticks, trash bags, and disposable gloves (or bring your own gloves). You are advised to wear close-toed shoes, a hat, and bring your own water. If you are interested in helping contact Meta Calder at metaorleans@gmail.com. Think of it as a simple, easy, and beneficial way to contribute to our community and get some exercise. Hope to see you.

**The City's Next Solar Farm**

Did you miss signing up for the City of Tallahassee's first solar farm? The next solar farm will be up and running by the early part of 2020 and will be twice as big as the first one. It will be forty megawatts and be able to supply electricity for 5,000 homes and businesses. It will be similar to the first solar farm, where customers will be able to sign up for 25%, 50%, or 100% solar powered electricity. We will keep you posted when we have more details to share.

**Local Ban of Single Use Plastics**

The CC/S action group is working with several organizations on organizing an effort to encourage businesses and restaurants to voluntarily change from using single use plastics, such as straws, styrofoam cups and plastic bags. Teresa Wells is heading up this sub-committee. Unfortunately the Florida Legislature will not allow local ordinances to ban single use plastics, so we are trying a different approach to this very urgent environmental problem.

**Recycling/Sustainability Tip**

Besides using your own bags to replace plastic at stores, bring your own straws to your favorite eateries. Many stores and Amazon sell stainless steel reusable straws now (some come with a brush and carrying pouch). Give them as gifts - it is totally cool

411 TEEN is a locally produced program for teenagers, families and other interested folks. It airs on 88.9 FM radio WFSU Sunday afternoon at 2:00 p.m., and will host a series of programs and events on Earth Day, April 22, 2019. The five-year project for 411 TEEN will focus on the environment and education. It will begin in 2019 and last until 2024.

Maya Van Rossum has been addressing the challenge to our environment for 23 years. Her book, *The Green Amendment, Securing Our Right To A Healthy Environment*, was selected as the 2018 Living New Evergreen Awards GOLD Winner in the Nature Conservation category.

Van Rossum discussed her recent book, *The Green Amendment*, on 411 TEEN in July of 2018. Isabella Rose, a dynamic SAIL High School senior graduating in May 2019 with honors, participated in the spirited conversation on the environment. Isabella's dream is to be an environmental attorney and she is well on her way.

Isabella and 411 TEEN hope to make SAIL High School plastic straw free, and to award academic scholarships to graduating seniors who will continue in an accredited post secondary institution majoring in environmental science or related areas. Maya Van Rossum helps kick off this project with a visit to Tallahassee on April 21 and 22, 2019. She will do two rap sessions with the SAIL High School students in the morning, a 411 TEEN taping at WFSU radio station.

That evening Maya Van Rossum will be the featured speaker at the Earth Day Community Forum at Temple Israel Synagogue from 6:30-8:30 p.m. She will be joined by the following panelists:

- Dr. Richard S. Gragg, Professor of Environmental Science and Policy at the Florida A & M University School of the Environment.
- Bakari M. McClendon, M.S., Florida A & M Sustainability Institute,
- Howard Kessler, M.D., a retired orthopedic surgeon,

Van Rossum pursues environmental protections from a policy as well as a legal perspective: Earth Day Community Forum, April 22, 2019 Temple Israel Synagogue, 2215 Mahan Drive, 6:30-8:30 p.m.
