Congratulation to Our

The Women's Suffrage Movement in Florida

Join us for a special January Hot Topic as we kick off our Centennial year with guest speaker Secretary of State Laurel Lee. How fitting, as we begin celebrations of 100 years of woman's suffrage, that our state's chief elections officer is a woman, one well-qualified to tell us how the movement played out in Florida.

This Hot Topic will be in a special event space, next door to our usual venue at Four Points by Sheraton and operated by them. It's called Bricks and Brass, at 320 W. Tennessee Street. Some of you may know it as the old Mays-Munroe building, recently renovated. Parking is in the lot we normally use behind the main Four Points building. Just walk around to the front of the building for the entrance. Because parking is at a premium in the evenings, carpooling is encouraged!

Secretary of State Laurel M. Lee was appointed by Governor Ron DeSantis as Florida's 36th Secretary of State and began serving in February 2019. Secretary Lee previously served as the Circuit Court Judge in Florida's Thirteenth Judicial Circuit in Hillsborough County. She was appointed to the Circuit Court by Governor Rick Scott in 2013 and re-elected without opposition in 2014.

Prior to serving as a Judge, Secretary Lee was an Assistant United States Attorney in the Middle District of
Florida where she initiated and prosecuted a wide range of criminal offenses. Before becoming a federal prosecutor, Secretary Lee worked as an Assistant Federal Public Defender in the Middle District of Florida and as a judicial law clerk to United States District Court Judge James S. Moody, Jr. She previously practiced law at Carlton Fields, P.A. in Tampa where she specialized in antitrust and complex business litigation.

The Secretary of State is Florida’s Chief of Elections, Chief Cultural Officer and the head of the Department of State. The Department consists of Office of the Secretary and the Divisions of Administrative Services, Corporations, Cultural Affairs, Elections, Historical Resources, and Library and Information Services.

**President's Message**

Happy New Year 2020! This is the beginning of an important year for the League of Women Voters. We will celebrate our Centennial and will help voters navigate elections from the local level to the national one. Your nonpartisan voice is more important than ever, and it will be a busy year ahead.

We are beginning our own annual process of updating our program of work and electing members to our board, both of which take place at our April membership meeting.
Check out the articles in this issue on how you can be a part of our active League management. We need your voice and your energy, so please consider taking an active role in our work.

We have lots of exciting events coming up soon, as you'll see in this issue. I'm thrilled to have Secretary of State Laurel Lee kick off our Centennial year with a presentation on Women's Suffrage in Florida. We'll host her at the newly restored Bricks and Brass venue next door to our usual spot. There'll be plenty of room, so please come and invite a friend. January is also our 63rd birthday as the Tallahassee League, so there is a lot to celebrate.

Our big event of the year--of the Century--will be held on February 28 at the very top of the State's power structure, the 22nd floor of the Capitol building. This is going to be a special event that you won't want to miss. Our planning committee has been working hard to make this one memorable. We'll have a bounty of appetizers, drinks, music, and conversation. Invitees are welcome to dress as their favorite suffragist or feminist (I've got a little Downton Abbey in mind), or in cocktail attire. You may even meet a historical figure or two. We'll have trolly transportation from parking and other special touches. Please consider being a sponsor to usher us into our second century.

There is much more to come. Keep an eye out for additional events in the upcoming months.

I'm excited for the year ahead. Let's go!

In League,

Teri Cleeland, President
League of Women Voters of Tallahassee

Program Committee

We are beginning to think about our program in the upcoming fiscal year beginning in May 2020 and invite you to share ideas on what our members and leaders should focus on. Here is a link to our current program. If you have a great idea for a new initiative, maybe we'll enlist you to help us carry it out! Whatever your idea, you may share your thoughts or join our committee. We will publish a draft of our proposed program prior to our Annual Meeting in April. Please contact Program Committee Chair Liz Holifield.
Officer and Board Nominations Open Through February 10, 2020

The League's volunteer leaders are a vital citizen's voice in our democracy, and we take the selection and election process very seriously.

Your Nominating Committee is looking for candidates who are interested in becoming a Tallahassee League Officer or a member of the Board of Directors. Our nominees for President, Vice President, Treasurer, Secretary, and Three Board members will be presented to and elected by the membership at our Annual Meeting. After that election concludes, the Board will consider "appointing" up to six additional Board Members for one year. Note: the latter is an excellent way to try on Leadership to see if it fits! To assure continuity on the Board, "elected" Board Members serve staggered 3-year terms.

The Process

- We look to you, our Members, to recommend candidates for Officer and Board Member positions. All that is required is that the nominee be a voting member of our League and that you have his/her/their permission to nominate.
- We heartily encourage self-nomination! You know your strengths best and your level of commitment. In addition, we have many new members who may not have had the opportunity to shine or be noticed by others, but have skills that will benefit the League. Joining the Leadership Team is a great way to actively contribute to the League’s success during an important transition into and beyond our Centennial Year.
- Please contact any of the committee members below to make a nomination, or to ask questions about position responsibilities. You may leave a message on our phone line at 850-309-3005. Nominations must be received by February 10th. The Committee will need:
  - Candidate's Name
  - Contact Information
  - Position Recommendation and Why (a little about the nominee)
- The Nominating Committee will vet the nominees and provide a slate of candidates for election in the March Voter.
- Membership will vote on the slate of candidates during our April Annual Meeting (date TBD).

We are fortunate to have the Capital Alliance Group (CAG) closely monitoring the League’s priority legislation and engaging legislators on the League’s behalf. A very special thank you to Lobby Corps members who have already testified, appeared at hearings and press conferences with buttons displayed prominently, and to those of you who have summarized Committee Meetings for the state’s Issue Chairs -- you are our front line champions!

**League Day of Action: February 14, 2020**

February 14 is more than Valentine’s Day, it is the date in 1920 when the League of Women Voters was founded. To commemorate this anniversary, the League is sponsoring a Day of Action for that date.

The Day of Action is an opportunity for Leagues across the country to participate in a shared moment to celebrate our 100th birthday and honor our legacy. We are rooted in a 100-year history of fighting to strengthen our democracy, and we will demonstrate our continued power through a coordinated Day of Action on February 14th, 2020.

Although we have many plans for this year, we have not planned anything for this event. Check out this [Toolkit](#) and contact Teri Cleeland (tcleeland@embarqmail.com) if you have any ideas.

**Voting Matters**

Tune into WFSU radio 88.9 FM at 3:04 pm starting Wednesday January 8 to hear the first of our planned "Voting Matters" minutes. These weekly information broadcasts will help inform listeners about public policy issues and elections. We're still raising funds to support this effort, and you can contribute on our [web page](#), noting "Voting Matters" on the donation form.

Below, Teri Cleeland recording at WFSU:
Get Your Marathon On!

Let's keep up our winning streak as top prize winner for the Tallahassee Marathon water station for a 5th year in a row. Once again, we have been asked to participate in the water table contest for the 2020 version of the Tallahassee Marathon on February 2nd.

We have had fun in the past dressed up as Suffragists, and you're welcome to come as one. Last year, Rosie the Riveter became a popular addition to our water corps, and we'll also have Uncle Sam and Lady Liberty costumes available too. In costume or not, we want YOU to join us. More than one thousand runners descend on our station, all thirsty and needing to be cheered on, so many hands are needed. You are guaranteed to be inspired by the marathons. We have rousing music to play and lots of enthusiastic cheering, but our mission will be to get the water cups out quickly to the passing runners.

Come join us Sunday morning February 2nd at our water station near the Capital City Country Club on Golf Terrace Drive for a morning of fun and a chance to win a monetary prize for the League. Contact Dot Skofronick at dsjs@embarqmail.com to sign up and to answer any questions.

Passing of "Dee" Beranek

We are sorry to report the passing of Mignon Upchurch "Dee" Beranek on November 29, 2019. Dee was a member of our League and Lobby Corps. Prior to that, she had a long career at the Supreme Court of Florida. Her obituary noted that "... her passion for education, fairness, and reform took the shape of tutoring and mentoring youth and working with... the League of Women Voters and other local organizations." We were
honored that she included our League as a recipient of donations in her memory and have thanked several people who have donated. If you would like to make a donation in her honor, you may do so by sending a check with "in honor of Dee Beranek" in the memo to us at 1400 Village Square Blvd., Suite 3, Box 115, Tallahassee, FL 32312 or you may also donate online at LWVTallahassee.org. We will let the family know that you honored her.

ERA in Virginia

Ruth O'Donnell was one of our more active members and now works for the League in Asheville, NC. The following is a notice published in her League newsletter:

Good News! Virginia will likely be the 38th state to ratify the ERA amendment, possibly as early as January 8, 2020. And in the US House, Judiciary Chairman Jerrold Nadler (D-NY) introduced a resolution for markup which would remove the deadline for ratification of the ERA-set by Congress in 1972 and extended in 1978-guaranteeing that the ERA can become a part of our Constitution once a 38th state ratifies it. The markup legislation now moves to the full House for a vote before heading to the Senate.
