You Are Invited to a Birthday Party!

It's been a century in the making--the 100th Birthday celebration for the League of Women Voters. Don't miss our once-in-a-lifetime event from 6:30-9:00 pm on February 28 at the very top of the Capitol building on the 22nd floor.

Join us for a sparkling evening with fine refreshments, elegant hors d'oeuvres, lively conversations of a glittering future and an inspiring program celebrating 100 historic years! We'll honor the past and forge toward the future. Our program features historic suffragists accompanied by the FAMU choir.

Invitees are welcome to dress as their favorite suffragist or feminist (perhaps a little Downton Abbey?), or in cocktail attire. Gentlemen who supported suffrage wore yellow rose boutonnieres. We'll have trolley transportation from parking and other special touches. Please consider being a sponsor to usher us into our second century. Don't wait--our caterer needs to get our numbers by February 14, and tickets make a great Valentine's Day gift.

This celebration takes the place of our monthly Hot Topic. For more information, see below.

Tickets and sponsorships are available only at [LWVTLHCentennial.Eventbrite.com](http://LWVTLHCentennial.Eventbrite.com) rather than the usual means of making a reservation by phone or email.

**President's Message**

The year 2020 is special for many reasons. Importantly, it is the Centennial of the 19th Amendment when women gained the right to vote. It is also the 100th birthday of the League of Women Voters. By Valentine's Day in 1920, only three more states were needed to ratify the 19th Amendment and make it the law of the land. Carrie Chapman Catt, a protégé of Susan B. Anthony, presided at the Victory Convention of the National American Woman Suffrage Association in Chicago. Should the organization continue after women's voting rights were won? The convention agreed to transition to a new organization dedicated to educating women on citizenship and voting matters, with the important requirement that all members be non-partisan, not supporting any political party or candidate. On February 14, 1920, The League of Women Voters was founded. The 19th Amendment was ratified in August 1920.

We'll celebrate our birthday with a Capitol celebration on February 28. Our planning team has worked tirelessly for months to prepare a memorable evening to mark our anniversary and forge ahead into the future. Please come and invite your friends. Your sponsorship will help support our vital programs. It should be a lot of fun, too! I've got a Downtown Abbey style dress and a Votes for Women sash ready to go.

This is also an election year, and we are already gearing up for our Vote411.org Voter Guide and Candidate Forums. Make sure you are ready to vote by checking your registration--you must be registered by February 18 with a party holding a primary in order to vote. Leon County

residents can check their registration status at LeonVotes.org.

But you only need to be a member of the League to run for our offices! Our nominating committee is accepting nominees for our open Board of Directors seats and our 4 Officer positions. Please consider joining our leadership team--we are doing some exciting things!

We are also developing our program for the upcoming membership year which begins in May. Look for articles in this newsletter on who to contact for both nominations and program.

I'm looking forward to a new century with the League of Women Voters.

Centennial Corner

The Tallahassee Democrat headline on Tuesday Jan. 15, 1957 read as follows: "52
Women Organize the League of Women Voters" A group of 60 women met the evening of January 14, 1957, in the Leon County Courthouse and organized a Provisional League of Women Voters of Tallahassee. Mrs. H. O. Walby was elected to serve as first president along with a board of directors, and the group adopted bylaws. Fifty-two women became charter members that night. The fledgling League set out to make a detailed study of Tallahassee and Leon County governments and a study of constitutional revision. In the first decades of its existence, official records list members by their married names only. It's our 63rd birthday!

Florida has set up a statewide website as a go-to resource for everything Centennial this year. They also have a Facebook page where you can get lots of interesting information about the history of Suffrage in Florida as well as Celebrations throughout the state.

We Love a Parade!

It's time!! Time to sign up for the Springtime Tallahassee Parade. We need marchers in each group and have several spots in the featured autos for those that prefer to ride. There are four groups, starting with 1920’s Suffragists, women dressed in white with wonderful hats and sashes.

The second group reflects women who represent the 1940's War Years, from those "Rosie the Riveters" and War nurses to those musical stars such as The Andrew Sisters and film stars such as Katherine Hepburn and Veronica Lake who took America's minds off the hard times.

The third group consists of both women and men who, in the 1960's, campaigned for the E.R.A. as well as those that were part of the Social Revolution including hippies/flower children and notables like Julia Child, Billie Jean King, Nancy Sinatra, Jack & Jackie Kennedy, Doris Day, and so many more.

Our last group, again for both women and men, will represent the 2020's and the Future -- those that are changing our world now and will continue to change it in the future such as Astronauts, Supreme Court Justices, Scientists, Police Officers, Doctors, Nurses, Soldiers, etc. and notables such as Michelle Obama, Serena Williams, Hilary Clinton, Ruth Bader Ginsburg, and Oprah Winfrey.

Look for the sign-up sheets at meetings or reach us at our emails to sign up or just to ask questions.

Bev Fogarty-Pagel bfogartypagel@gmail.com & Jane Parsons janeparsons@comcast.net
Calling all members with steady hands:

We are painting our parade signs on February 8th at 2:00 pm at "Feeling Art" in Railroad Square. Just come along and be put to work as we paint and assemble our signs for our entry in the Springtime Tallahassee Parade on March 28th.

Vacancy on the Ethics Board

The Tallahassee Independent Ethics Board is now accepting applications to fill the open seat on the Board.

The League of Women Voters of Tallahassee has a history of supporting the Independent Ethics Board, led by the efforts of Marilyn Wills, representing the League as part of the Citizens for Ethics Reform (along with fellow League member Peter Butzin representing Common Cause, among others). This group was instrumental in getting the creation of the Ethics Board on the city ballot in 2014, where it passed overwhelmingly.

The only official requirements are to be a registered voter (no problem with League members), not be a city employee, and to be a resident of the City of Tallahassee. The closing date for acceptance of applications is February 10. The new Board member will likely be selected at the February 18 Board meeting. The selected candidate for Seat 7 will serve a three-year term which expires on December 31, 2022, and will be eligible to serve an additional three-year term. The Board generally meets once a month for three hours, although special meetings can be called to deal with specific issues.

The Independent Ethics Board is entering a new era in the coming year with a new, more comprehensive City Ethics ordinance having passed in December, as well as a new Ethics Officer set to start on February 2.

Details about the Ethics Board and its open position for Seat 7 can be seen at [https://www.talgov.com/Main/ethics.aspx](https://www.talgov.com/Main/ethics.aspx).

Applications can be submitted at [https://www.talgov.com/transparency/boards.aspx](https://www.talgov.com/transparency/boards.aspx) (scroll down to the Ethics Board).

The January meeting

Cara Fleischer was our featured speaker. She is the Leon Soil and Water Conservation
District Supervisor and Tally 100% Together Communications Chair, and recently attended COP25 (Council of Partners on Climate Control Conference) in Spain. COP25 created the Paris Agreement. She explained that this agreement is still in effect in the US even though the government is blocking it. Nancy Pelosi, who attended the international summit, confirmed that the US is still a partner until the day after the next inauguration in 2021. You can see all of the presentations at the We Are Still In booth (WASI) from this link: https://www.wearestillin.com/us-climate-action-center-cop25-madrid-spain

Her remarks were extremely helpful and informative. You can join her climate action group on Facebook: https://www.facebook.com/groups/mommafly/

Solar Farm news
On December 26th the 42 megawatt system was put online generating 80 million kilowatts hours (40 for residential and 40 for commercial). Right now, there are 1800 residential customers signed up for the first farm, with 400 on a waiting list. March 1st is the target for new customers to sign up. Our CC/S members will help spread the word as soon as the City Utility is ready.

100% Renewable Energy Plan
The City is deciding on consultants for developing the plan for reaching 100% renewable energy by 2050 and 100% for the city government by 2035.

The County is planning to spend $50,000/year for the next 10 years to install rooftop solar. The City has been adding rooftop solar for the last 12 years.

February Guest Speaker
We will have Ed Fallon. He served as an Iowa state legislator for fourteen years before running for Governor in 2006 and U.S. Congress in 2008. Since 2009, he has hosted the Fallon Forum, Iowa's most prominent progressive political talk-radio program, which airs on seven stations in five states. Ed also directs Bold Iowa, a non-profit focused on grassroots strategies to tackle the climate crisis. Marcher, Walker, Pilgrim is Ed's memoir from the 2014 Great March for Climate Action. On the 3,100-mile, 8-month walk from Los Angeles to Washington, DC, marchers became a mobile village -- weathering harsh conditions, sharing joys and sorrows, meeting people already affected by climate change, and intensifying their commitment to the cause as they sounded the alarm about our warming world.

All are welcome to hear Ed Fallon's talk.

Lobby Corps Streamlines

In 2020, the State League and we are focused on seven Legislative Priorities. In
coordination with our **Capitol Alliance Group (CAG)** Lobbyists, Florida League President Patti Brigham and our around-the-state Issues Chairs are zooming in on high priority issues. This has effectively allowed us to streamline our Tallahassee activities and be more thoughtful and strategic with our time and energy.

The CAG Team works behind the scenes engaging legislators on the League’s behalf and waives in support/opposition during meetings. They also summarize actions in their **Capitol Report** which is distributed at the end of every week during Session to all League members in the state.

**Our streamlined approach.**

Your Lobby Corps Chair conferences every Friday with the CAG Team and State League. Bills to be heard the following week are reviewed and action assignments made. The action agenda is then distributed to Lobby Corps (LC) members. The CAG Team will do most of the Waiving in Support or Opposition, but the League will handle the testimony. The State League may send someone, or they may request that a Lobby Corps member speaks on behalf of the State League (working from talking points). Thus, LC duties include waiving or testifying as needed and/or appearing with buttons blaring! Especially if an Action Alert has been issued. Until further notice and unless a specific ask is made, preparing reports is no longer required. We are trying this approach and will evaluate at the end of Session.

Your attendance is still very much needed and valued. Many thanks to Lobby Corps members who have testified and appeared at hearings and press conferences with buttons displayed prominently! Thanks to JR for the best backup and mentoring one could ask for.

**Naturalization Ceremony**
The first Naturalization Ceremony of 2020 was held on January 16 at the Federal Courthouse with The Honorable Judge Allen C. Windsor, Presiding. This ceremony was an exciting event for the students of Cornerstone Learning Center because one of their teachers became a new citizen. The students came to show their support to their teacher and all of the new citizens. What a great civics lesson!

The next ceremony will be on Wednesday, March 25 at 10:00 am on the 5th floor of Federal Courthouse, 111 North Adams Street. Everyone should attend at least one of these ceremonies. If you are interested, please contact Sandra Kendall fitzkendall841@gmail.com.

**Officer and Board Nominations Open Through February 10, 2020**

The League’s volunteer leaders are a vital citizen’s voice in our democracy, and we take the selection and election process very seriously.

Your Nominating Committee is looking for candidates who are interested in becoming a Tallahassee League Officer or a member of the Board of Directors. The nominees for President, Vice President, Treasurer, Secretary, and Three Board members will be presented to and elected by the membership at our Annual Meeting. After that election concludes, the Board will consider appointing up to six additional Board Members for one year. Note: the latter is an excellent way to try on Leadership to see if it fits! To assure continuity on the Board, elected Board Members serve staggered 3-year terms.

The Process

- We look to you, our Members, to recommend candidates for Officer and Board Member positions. All that is required is that the nominee be a voting member of our League and that you have his/her/their permission to nominate.
- We heartily encourage self-nomination! You know your strengths best and your level of commitment. In addition, we have many new members who may not have had the opportunity to shine or be noticed by others, but have skills that will benefit the League. Joining the Leadership Team is a great way to actively contribute to the League’s success during an important transition into and beyond our Centennial Year.
- Please contact any of the committee members below to make a nomination, or to ask questions about position responsibilities. You may leave a message on our phone line at 850-309-3005. Nominations must be received by February 10th.
The Committee will need:
- Candidate's Name
- Contact Information
- Position Recommendation and Why (a little about the nominee)
- The Nominating Committee will vet the nominees and provide a slate of candidates for election in the March Voter.
- Membership will vote on the slate of candidates during our April Annual Meeting (date TBD).
