DIFF. BETWEEN SERVANT & FAMILY

A Brother Beloved
Phil 1:16
Acts 9:17
Acts 22:13

Dearly Beloved,
For love's sake I beseech thee for whom I have begotten—which in times past was to thee unprofitable.
Whom I have sent—thou therefore receive as one of my own. Not as a servant, but above a servant, a brother beloved, specifically to me.
Receive them as myself.
If he has wronged thee, or oweth thee ought, put that in my account—I will repay it.
Let me have joy in thee, having confidence in thy obedience—knowing you will do more than I say.
Prepare me also a lodging—through your prayers I shall be given unto you.

In grace,
Jesus
