New York's Greatest Musical Bargain

Peoples' Symphony Concerts was founded in 1900 by the conductor Franz X. Arens with the purpose of bringing the best music to students and workers for minimum prices. Since those early years, hundreds of thousands of Peoples' Symphony Concerts audience members have heard the world’s foremost concert artists and ensembles at the lowest admission prices of any major series in the country.

Today we offer a six-concert series for as little as $48 ($8 per ticket), allowing students, families, and others on a budget the opportunity to hear amazing concerts for less than half the cost of a movie. Offering concerts at both Town Hall on West 43rd Street and the historic Washington Irving High School Auditorium near Union Square, both with great acoustics and ambience, Peoples' Symphony Concerts presents artists of the highest caliber and introduces rising stars to New Yorkers on a budget. You only have to attend three concerts to make buying a series ticket the way to go.

FAMILY PASS: Parents or grandparents who subscribe to the Arens, Mann, and/or Salomon Series receive up to two complimentary tickets per concert for their children (ages 6-18). This is a chance for a family to enjoy the gift of music together, even if they only stay for half of the concert.

UNLIMITED STUDENT PASS: Students 35 or younger can enjoy unlimited access to all 18 concerts with the Unlimited Student Pass. That means the best available seat for any and all concerts (in advance or the day of the concert) for one flat $25 fee ($1.39 per ticket).

Support

According to The New York Times, Peoples' Symphony Concerts has remained true to its mission – to provide “top music for bottom dollar” to New Yorkers of modest means. We do not have the resources of other organizations, so we need all of you to help honor this mission. We hope you will make FSC one of your charitable giving priorities so we can continue to offer the best music at the lowest ticket prices. When you order your series tickets for the 2019-2020 season, please join our family of Peoples' Symphony Concerts supporters by including a contribution. You can also join our Legacy Society with the pledge of a planned gift. Let’s match the generosity of our artists who play for a fraction of their normal fees. All contributions are appreciated. Please note that The Alexander Schneider Foundation will match all new and increased gifts to help meet our needs for next season. Peoples' Symphony Concerts is a 501(c)(3) public charity. All contributions are deductible as allowed by law.
