

Letter of Expectation
for Athletes
in Trinity Basin Preparatory Athletics

Dear students and parents,

This letter includes the expectations for student athletes at Trinity Basin Preparatory:

All student athletes participating in Trinity Basin Preparatory Athletics:

- Must have an Athletics physical completed by a doctor's office and turned in to the front office, the classroom of a teacher/coach or the Physical Education coaches. The Athletics physical form must be filled out and signed by a doctor before a student may participate in practices, games, and **tryouts**.
- Must have parent or adult guardian permission to participate in sports
- Must bring proper athletic clothing and shoes. Students will not be allowed to participate in tryouts, practices, or games without proper athletic clothing and shoes. **If a student does not have athletic shoes, they cannot participate.**
- Must have parent or an adult guardian emergency contact numbers on file with Trinity Basin Preparatory and available in their personal possession during practices and games.
- Parents or adult guardians of students will need to arrive on time when practice ends to pick up their child. If a parent is going to be late, it's the parent's responsibility to notify a coach by school email, via the front office or by calling or texting the coaches' cell phone before 12:00pm (absolutely no later than school dismisses at 3:15).
- Parent pick up time is extended to fifteen minutes after the conclusion of practice and games.
- If a parent is more than fifteen minutes late, it is at the discretion of the coach or coaches onsite to suspend that player from practice for a day.
- If a player is waiting beyond the extended fifteen-minute period of time at the practice site with no contact from a parent or adult guardian, the coach or coaches onsite have permission to directly contact TBP Administration and, upon their guidance, the police.

.....
I ACKNOWLEDGE THAT I HAVE RECEIVED THESE EXPECTATIONS AND I AGREE TO UPHOLD THEM THROUGHOUT THE SEASON.
